

Reserve(k)[®] Features & Benefits

Saving for the future has never been easier.

Your retirement future is our *priority*

At Ubiquity Retirement + Savings® (Ubiquity), our Reserve(k) plan takes the stress out of setting up and managing a 401(k) so you can focus on growing your business.

Big benefits, all in one plan

Maximize your savings power

Owners can contribute up to \$24,500 (plus a \$8,000 catch-up if you're 50+) and add profit-sharing up to 25% of income – that means up to **\$72,000** in savings.¹

Attract and keep top talent

Strong 401(k) benefits make employees feel appreciated and secure and motivates them to stay longer.

Cash in on tax credits

If you're a 401(k) first timer, you can unlock up to **\$16,500** in tax credits over 3 years, plus additional credit to offset maintenance and administration.²

Your Ubiquity advantage

✔ Transparent, flat-fees:

No AUM fees mean you keep more of your hard-earned money.

✔ Recommended by advisors:

Financial experts trust us as their go-to for their clients.

✔ World-class support team:

Get help, whenever you need it from a real-life person (no robots here).

✔ Payroll-agnostic integration:

Our plans work with any payroll system, so your processes stay seamless.

¹ 2026 IRS Contribution Limits.

² Credit equals 100% of the cost to set up and administer the plan and educate employees about the plan, up to \$5,000 per year, plus an additional \$500 per year for automatic enrollment for each of the first three years of the plan. Read more about this credit on the [IRS website](#). Please consult a tax professional if you are interested in taking advantage of this credit.
