HURON COUNTY FOOD BANK DISTRIBUTION CENTRE

## VOLUNTEERS

HCFBDC has a dedicated team of over 45 volunteers. This group of men and women generously donated over 150 hours each week to ensure that food is delivered to our food-aid agency clients in Huron County and Stratford, St. Marys and Mitchell in Perth County.

We are always looking for additional volunteers - and currently are in need of "D" licenced drivers. Reach out to our office if you are able to offer some time to HCFBDC and help those who are struggling with food insecurity in our communities!

**TO PROVIDE FOOD SECURITY FOR ALL PEOPLE BY SUPPORTING THE FOOD BANKS AND AID AGENCIES IN HURON COUNTY AND AREA.**

## THANK YOU!

THANK YOU to all of HCFBDC's donors who generously make financial or in-kind donations throughout the year! We would not be able to provide for our clients without your generous support.

One food -aid agency shared the following: "Our clients like the fresh fruits & vegetables that are provided. The non-perishables are important, but the fresh stuff is really a treat for some of our clients." THANK YOU!
