GENERAL INFORMATION: This blend contains a unique Calcium blend for use in all crops that benefit from plant available calcium. This formulation is designed for foliar applications. It is also designed to work in all soil types and conditions.

KEEP OUT OF REACH OF CHILDREN AND ANIMALS. ALWAYS READ LABEL BEFORE USING.

APPLICATION PRECAUTIONS: Always check compatibility with other products prior to mixing together. It is recommended that soil and or tissue samples be analyzed to determine nutrient levels prior to use. Do not eat, drink, or smoke while using this product. Wear protective gloves and clothing and eye and face protection. Wash hands thoroughly with soap and water after handling this product.

CAUTION: This product contains boron and silicon and should be used only as recommended. It may prove harmful if misused. Avoid breathing dust or spray mist. Use only with adequate ventilation or respiratory protection. May damage fertility or the unborn child.

STORAGE AND DISPOSAL: Keep in tightly sealed closed container. Do not contaminate water, food or feed by storage or disposal. Protect from freezing.

DIRECTIONS FOR USE: Specific rate recommendations should be made based on the crops calcium and boron demand or tissue analysis. This proprietary formulation is to be used on Oilseed, Pulse, and Cereal Crops. Seek the advice of a certified crop consultant for application rates and timings for desired crops. Foliar applications: Apply 1.2-2L in a minimum of 120L water/Hectare (1.2-2qt in a minimum of 20 Gal/Acre). Recommended application timing is during flowering stages

only. Defender should be well mixed with water before application. Conduct a jar test for tank mixing with other products.

FIRST AID MEASURES: If on skin: Remove contaminated clothing. Wash skin thoroughly with soap and water. Wash clothing before reuse. If in eyes: Remove contact lenses if present and easy to do so and flush with running water for at least 15 minutes while holding eyelids open. Get medical attention. Ingestion: Drink 1-2 glasses of water and induce vomiting. Never induce vomiting or give anything by mouth to an unconscious person. Call physician immediately. Inhalation: Remove to fresh air. If breathing is difficult, administer oxygen.

WARRANTY DISCLAIMER AND NOTICE: The directions for use of this product are believed to be adequate and should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result due to such factors as weather conditions, presence or absence of other materials, or the manner of use or application, all of which are beyond the control of Vantage Ag, the manufacturer or seller. The manufacturer or sellers make no warranties, guarantees, conditions or representations of any kind to buyer or user. Tests have not been carried out under all possible conditions and the seller cannot and does not represent or warrant that the goods are compatible with all other chemicals or under all use conditions.

In no event shall Vantage Ag, the manufacturer or seller be liable for consequential, special or indirect damages resulting from the use, handling, application, storage or disposal of this product or for damages in the nature of penalties and the buyer and user waive any right they may have to such damages.
