A modern villa with a large glass facade, a swimming pool, and a landscaped garden with palm trees. The villa features a prominent glass wall on the right side, reflecting the surrounding greenery. In the foreground, there is a wooden deck with a swimming pool and a lawn with several white rectangular tiles. Two tall palm trees stand in the middle ground, and a white patio umbrella is visible on the left. The sky is clear and blue.

Nestled just a stone's throw from the beach and the legendary Club 55, this new villa with its modern architecture embodies elegance and refinement in the heart of Ramatuelle. Surrounded by a 1,770 m² landscaped garden, it offers around 400 m² of bright, open-plan living space.

The villa features a top-of-the-range kitchen, a living room equipped with a home cinema, a dining room, a heated swimming pool, a pool house, a petanque area and the latest home automation services. Designed to combine comfort, privacy and the art of living, it meets the highest standards of well-being.

A modern bedroom with a king-size bed, a bench, a chair, and large windows overlooking a garden. The room features light-colored wood paneling on the walls and ceiling, a white bed with several pillows, a dark wood bench at the foot of the bed, and a white armchair. Large windows provide a view of a lush green garden and a swimming pool in the background.

The villa has six bedrooms, two of which are interconnected and share a bathroom, while the other five are suites, each with its own bathroom. Each room has a king-size bed (180 x 200 cm) and a TV.
