Villa Janezia is a very convivial 200m² villa, divided between the main house and the outbuilding. It is located right in the center of Saint-Tropez and boasts a pleasant outdoor space, including a large terrace, garden and swimming pool. The terrace is equipped with sun loungers and a large dining table, perfect for enjoying summer meals al fresco.

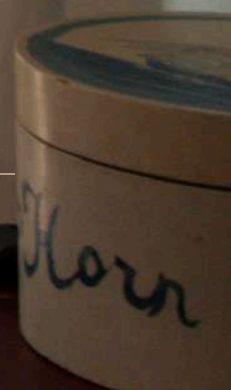

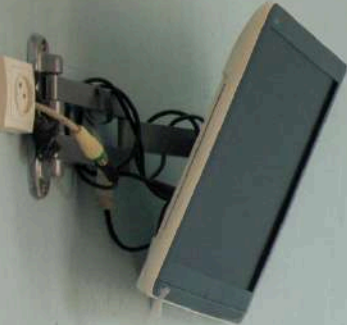

CSVILLAS

A modern kitchen with white cabinetry, a stainless steel refrigerator, a black countertop, and a red accent wall. The kitchen features a large window on the left side, a sink with a chrome faucet, a microwave, and a toaster. The refrigerator has a water dispenser on the left door. The countertop is dark and reflective. The red wall has a white shelf with glass jars and a white electrical outlet.

The property includes a superb living and dining room with fireplace, a fully equipped kitchen, three bedrooms and three bathrooms in the main house, as well as two bedrooms and two bathrooms in the outbuilding.

The villa enjoys a privileged location in the heart of Saint-Tropez, offering quick access to the town's shops, bars and restaurants. It's just a 10-minute drive from the famous Pampelonne beach.
