Discover Villa Louise, an oasis of luxury and refinement nestled in the heart of a private estate. This exceptional residence consists of a main villa and two outbuildings, offering a total of 1000 square meters of elegant and modern space, and an 8000 square meters plot.

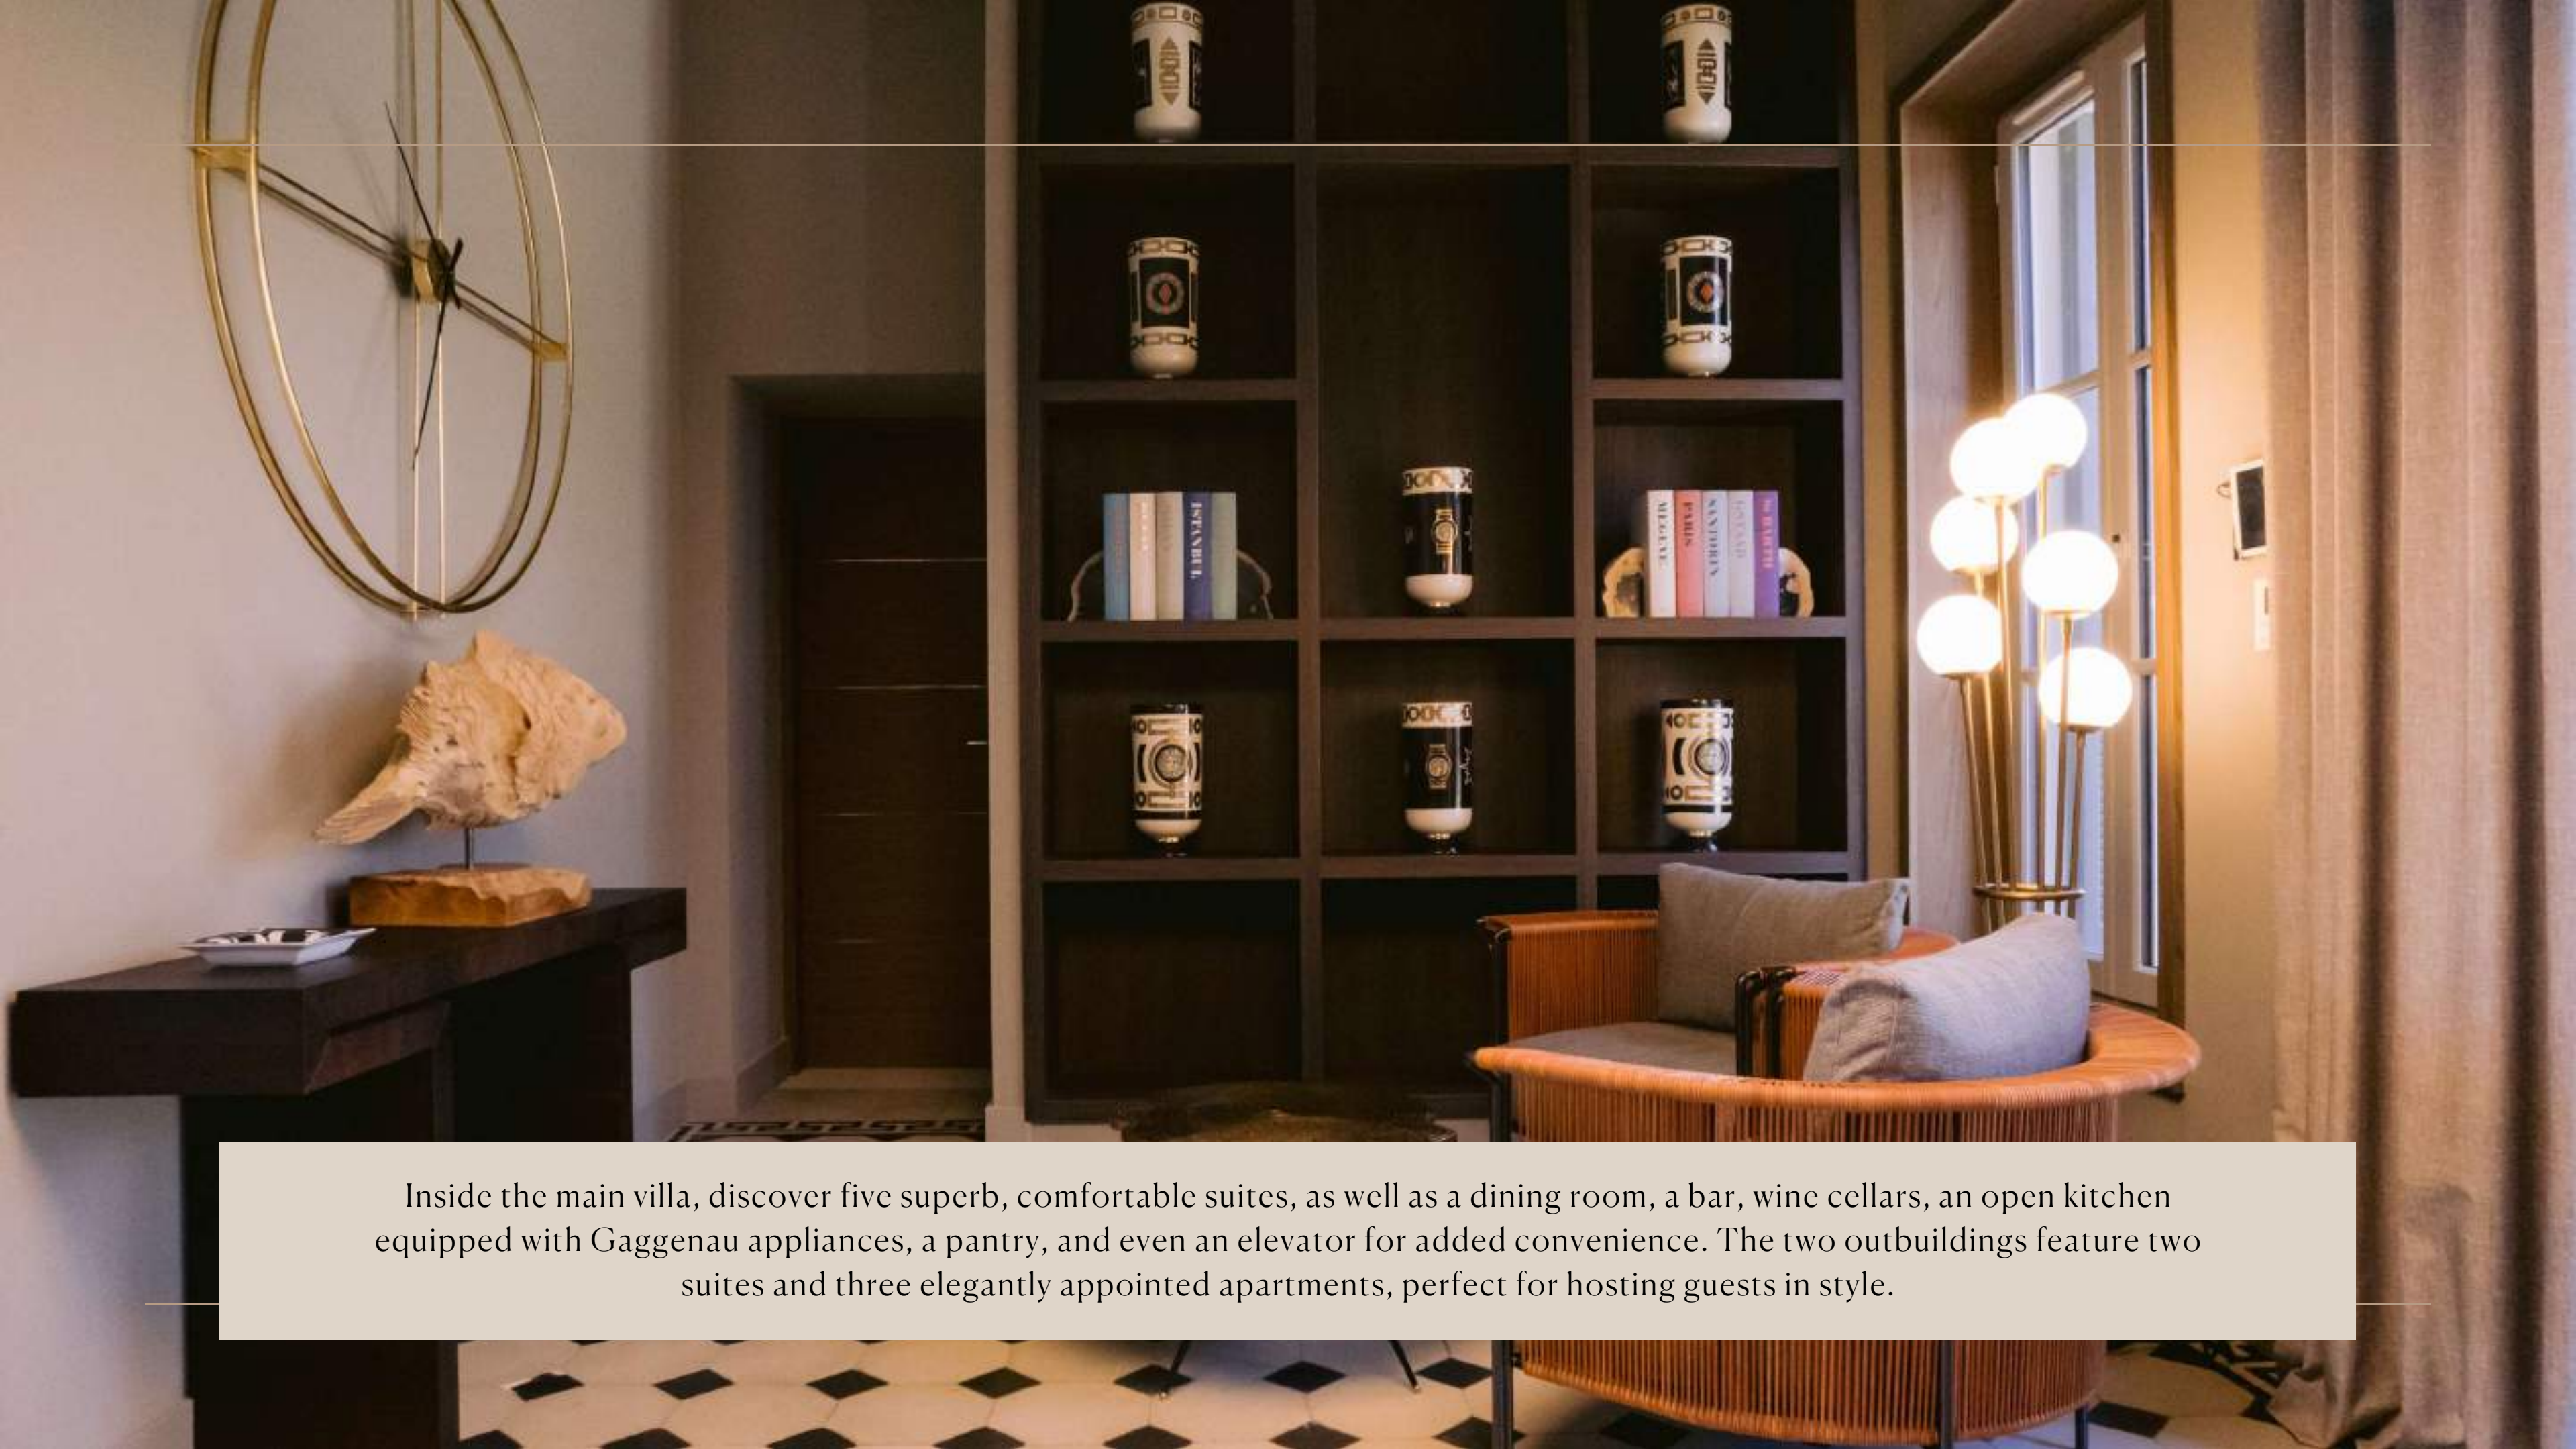

In the beautifully maintained garden, a 15 by 6 meter heated pool and a spacious pool house with a fully equipped kitchen invite relaxation and convivial outdoor moments. An outdoor barbecue adds a touch of culinary delight to this luxurious setting.

Inside the main villa, discover five superb, comfortable suites, as well as a dining room, a bar, wine cellars, an open kitchen equipped with Gaggenau appliances, a pantry, and even an elevator for added convenience. The two outbuildings feature two suites and three elegantly appointed apartments, perfect for hosting guests in style.

To complete this exceptional residence, a gym, a massage room, and a laundry room are at your disposal. Ideally located near the beaches of Sylvabelle and Pampelonne, as well as the village of Saint Tropez, Villa Louise promises an unforgettable getaway. And with daily housekeeping service included, every moment spent here will be marked by comfort and well-being.
