A photograph of a modern outdoor terrace. In the foreground, there are several pieces of outdoor furniture: a pair of armchairs with light-colored cushions and dark metal frames, and a larger sofa with similar cushions and a dark metal frame. The terrace is paved with light-colored tiles. In the background, there is a lush green hillside with a tall, thin cypress tree on the left. The sea is visible in the distance under a clear blue sky. The terrace is partially covered by a large, light-colored overhang. The overall atmosphere is bright and serene.

Discover Villa Texas, a sumptuous residence of 330m² nestled on a 1900m² plot. Offering breathtaking sea views, this architect-designed villa, tastefully decorated, embodies contemporary elegance.

A modern, light-colored house with a large garden. The garden features a gravel path, a lawn, and a swimming pool with lounge chairs. The house has a flat roof and large windows. The sky is clear blue.

Its immaculately maintained garden hosts a 18x3m pool, surrounded by outdoor spaces conducive to convivial moments with family or friends. A spacious terrace unveils a stunning sea view, while a petanque court adds a playful touch to summer evenings.

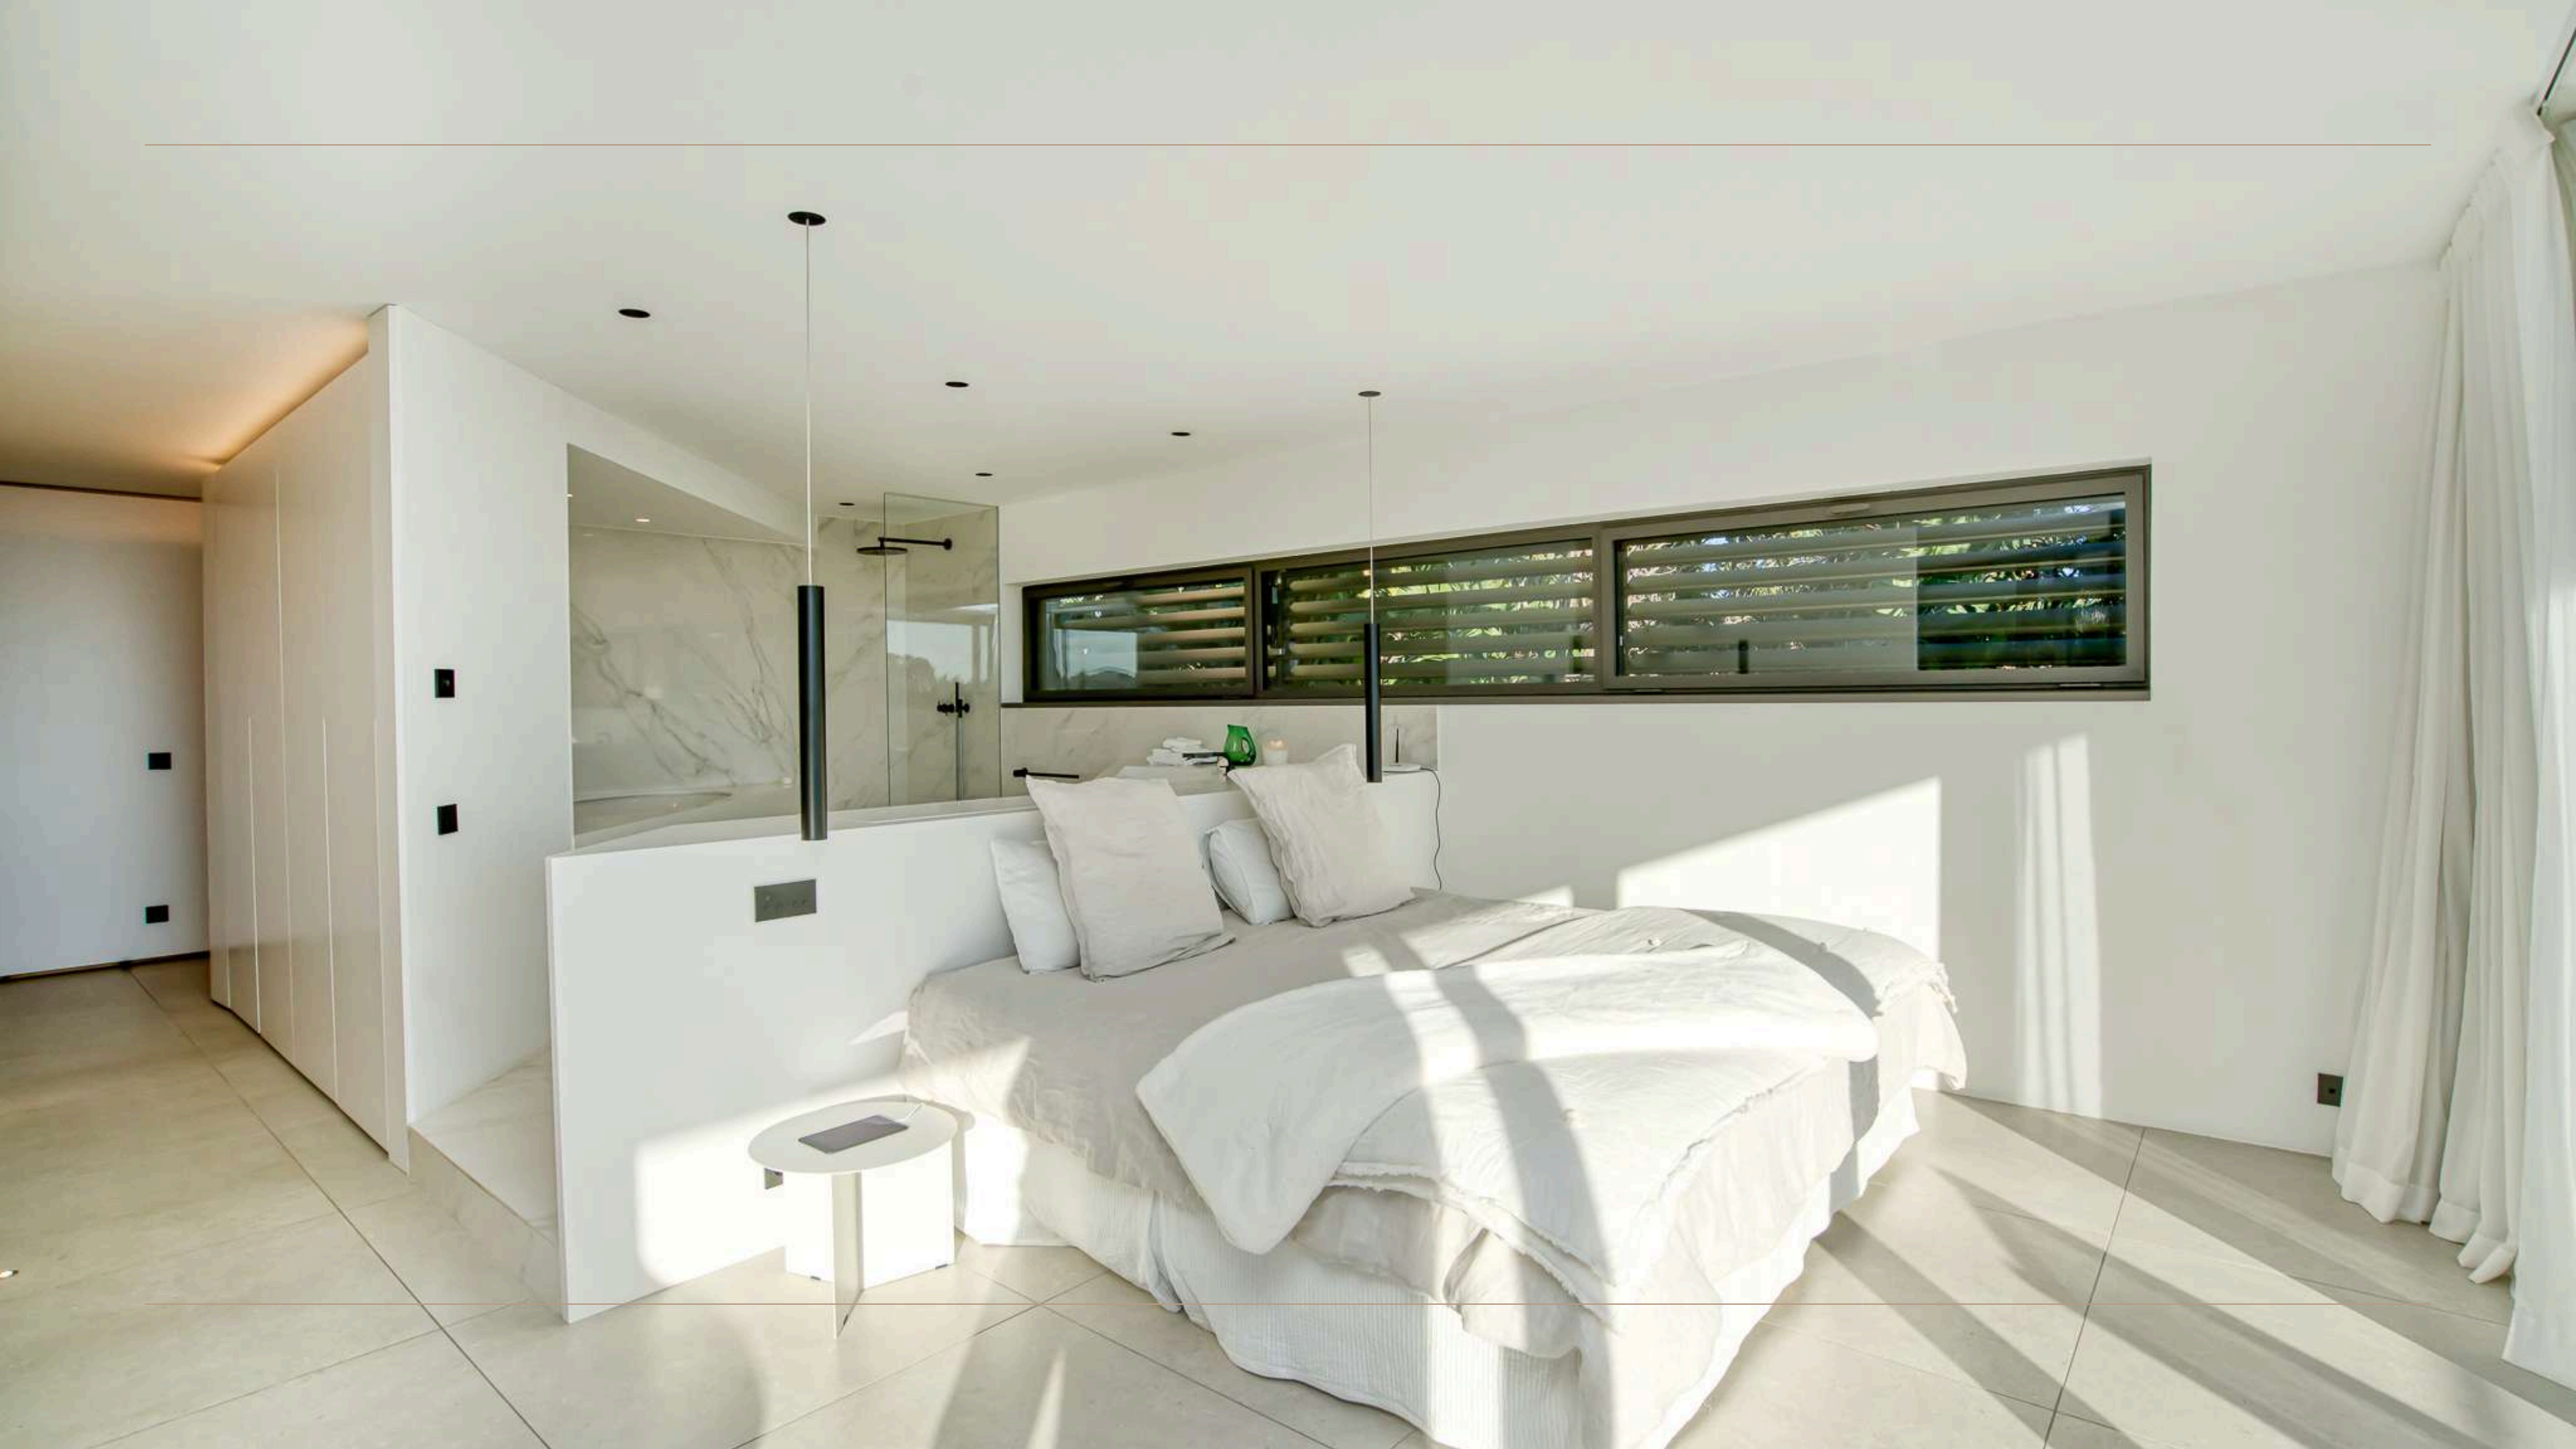

Inside, five comfortable bedrooms, each with its en-suite bathroom, provide a soothing retreat. The spacious living/dining area, bathed in light, can fully open to the outside. A laundry room completes the practical features of this villa.

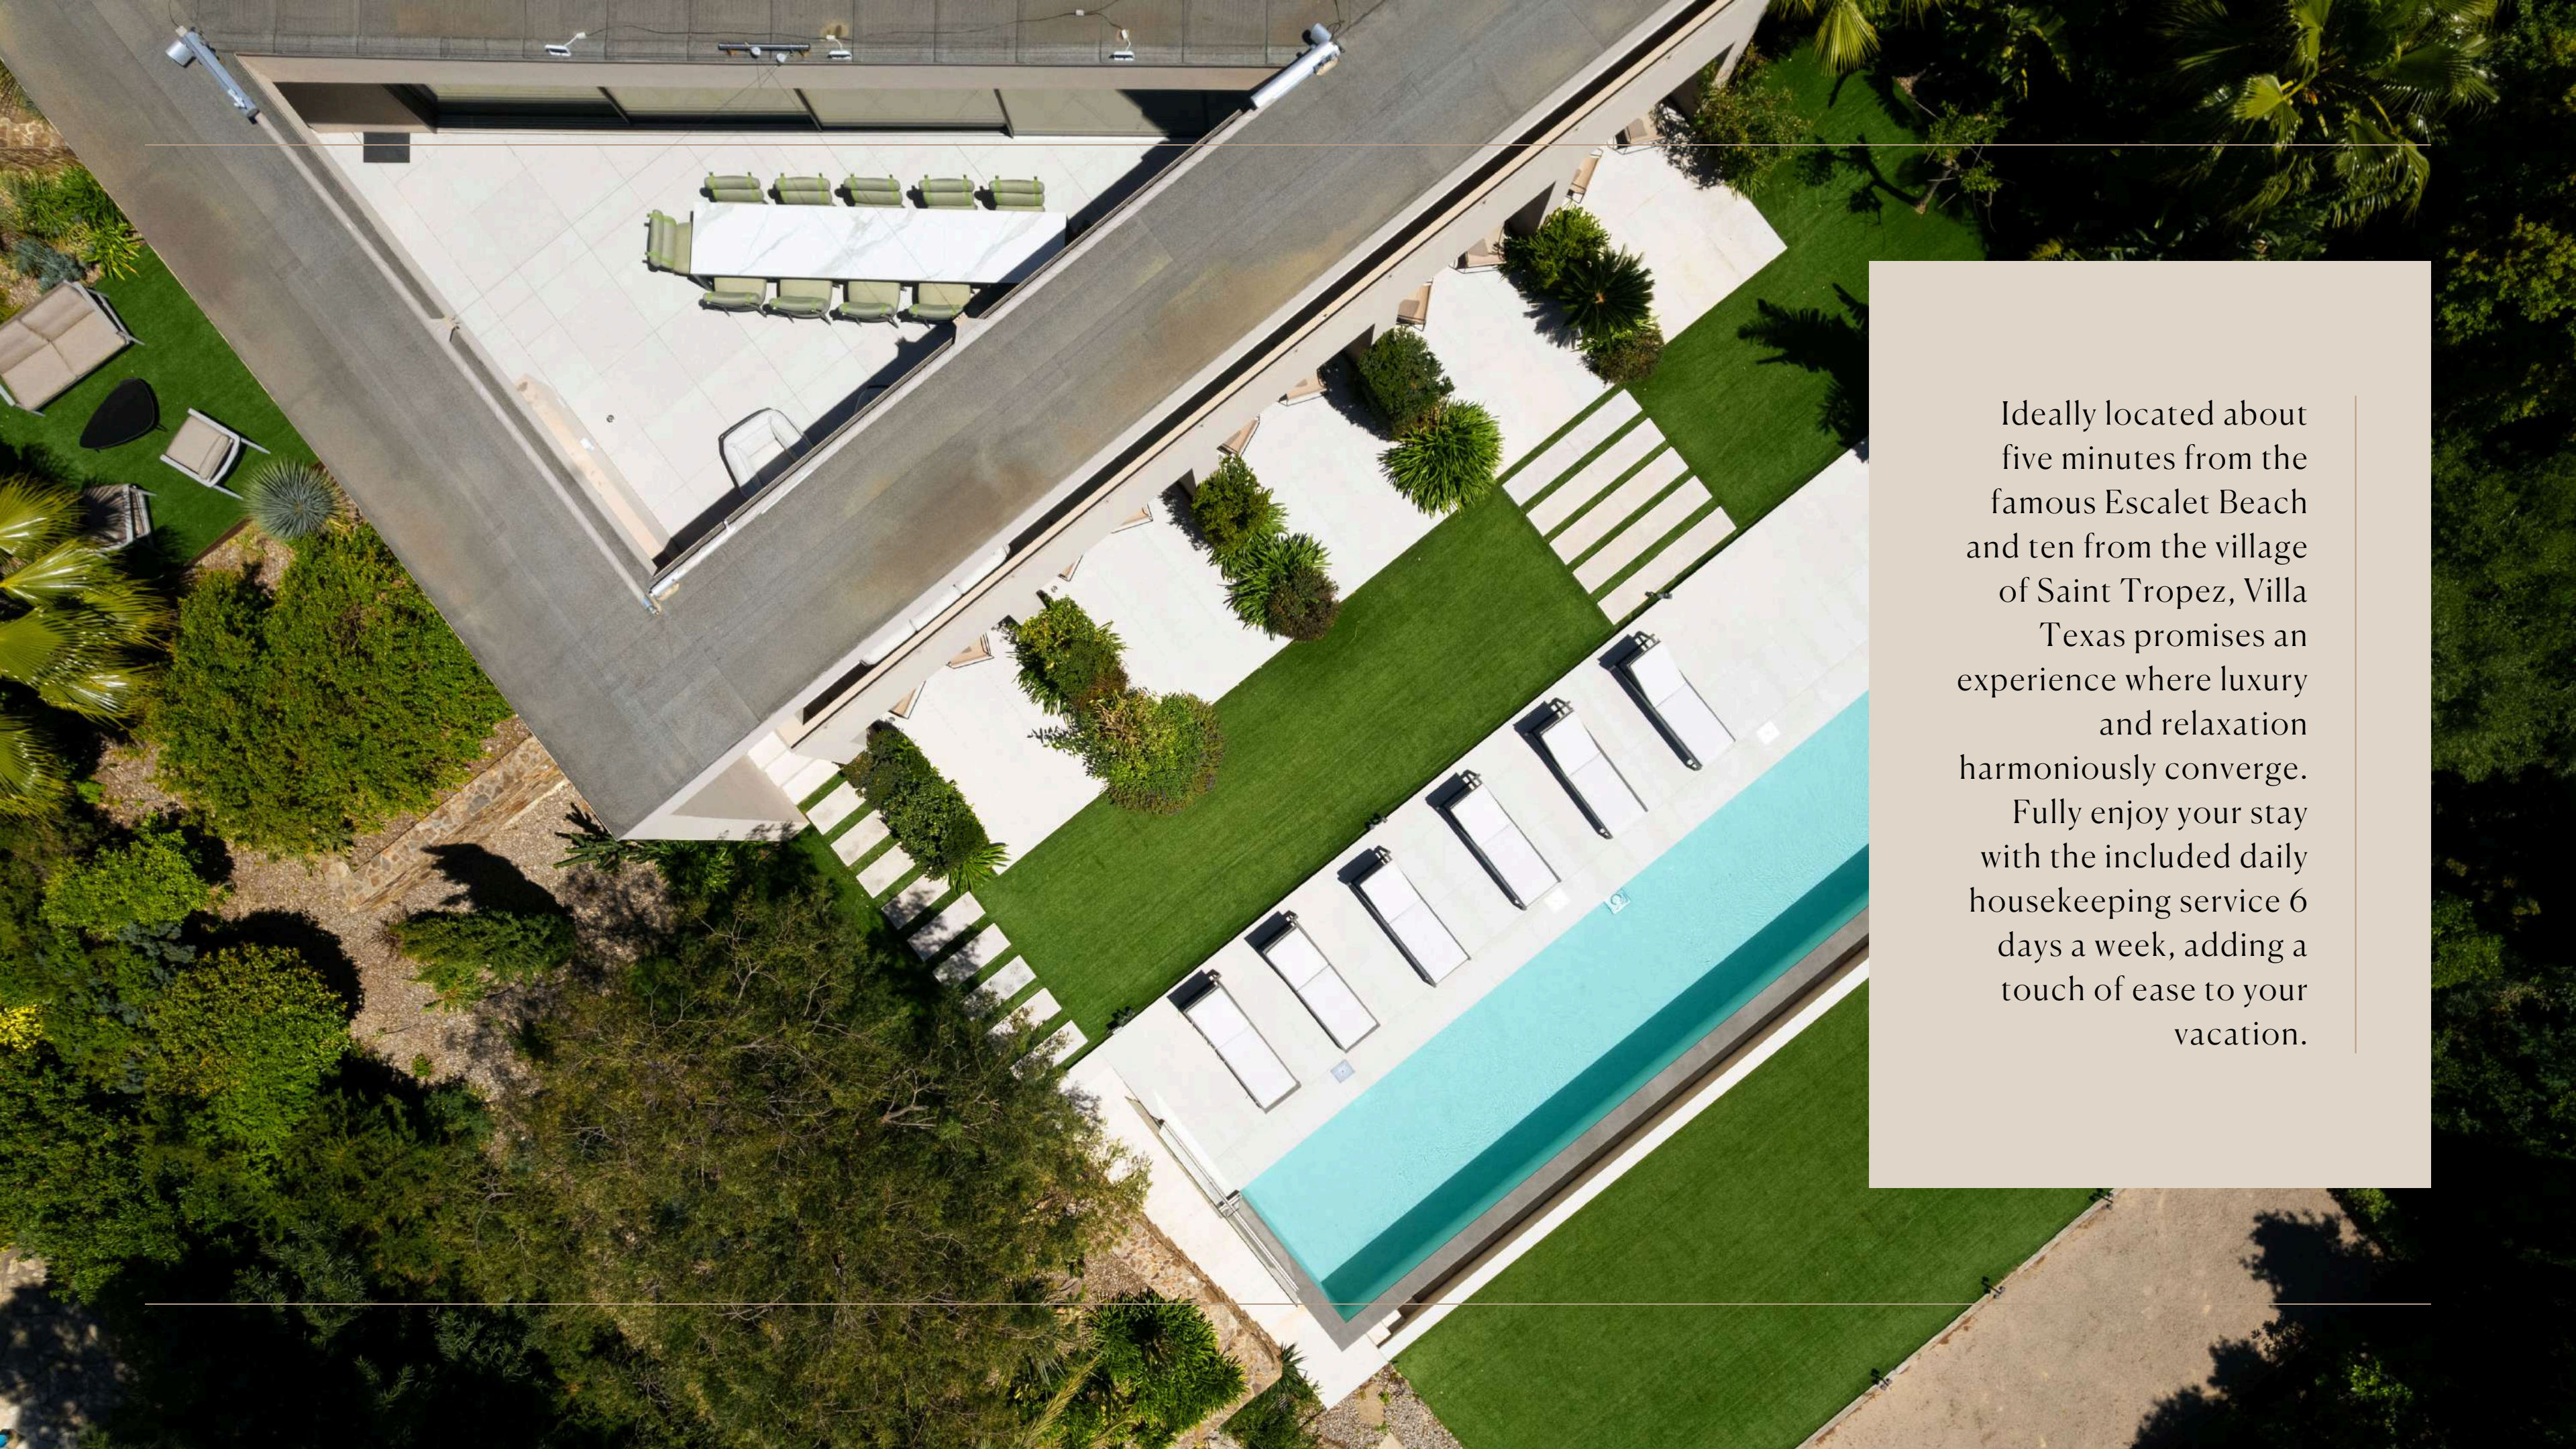

Ideally located about five minutes from the famous Escalet Beach and ten from the village of Saint Tropez, Villa Texas promises an experience where luxury and relaxation harmoniously converge. Fully enjoy your stay with the included daily housekeeping service 6 days a week, adding a touch of ease to your vacation.
