Welcome to Villa Ubud,
a true corner of paradise
of 230 m², nestled on a
plot of 4700 m² in
Saint-Tropez. Here,
everything is designed
to offer you a relaxing
and friendly living
environment.

The 16x5m heated swimming pool, surrounded by a large terrace, is ideal for enjoying the sun, while the outdoor spaces invite you to share meals with family or friends. Between the pétanque court, the massage area and the outdoor gym, every moment becomes a real break in well-being.

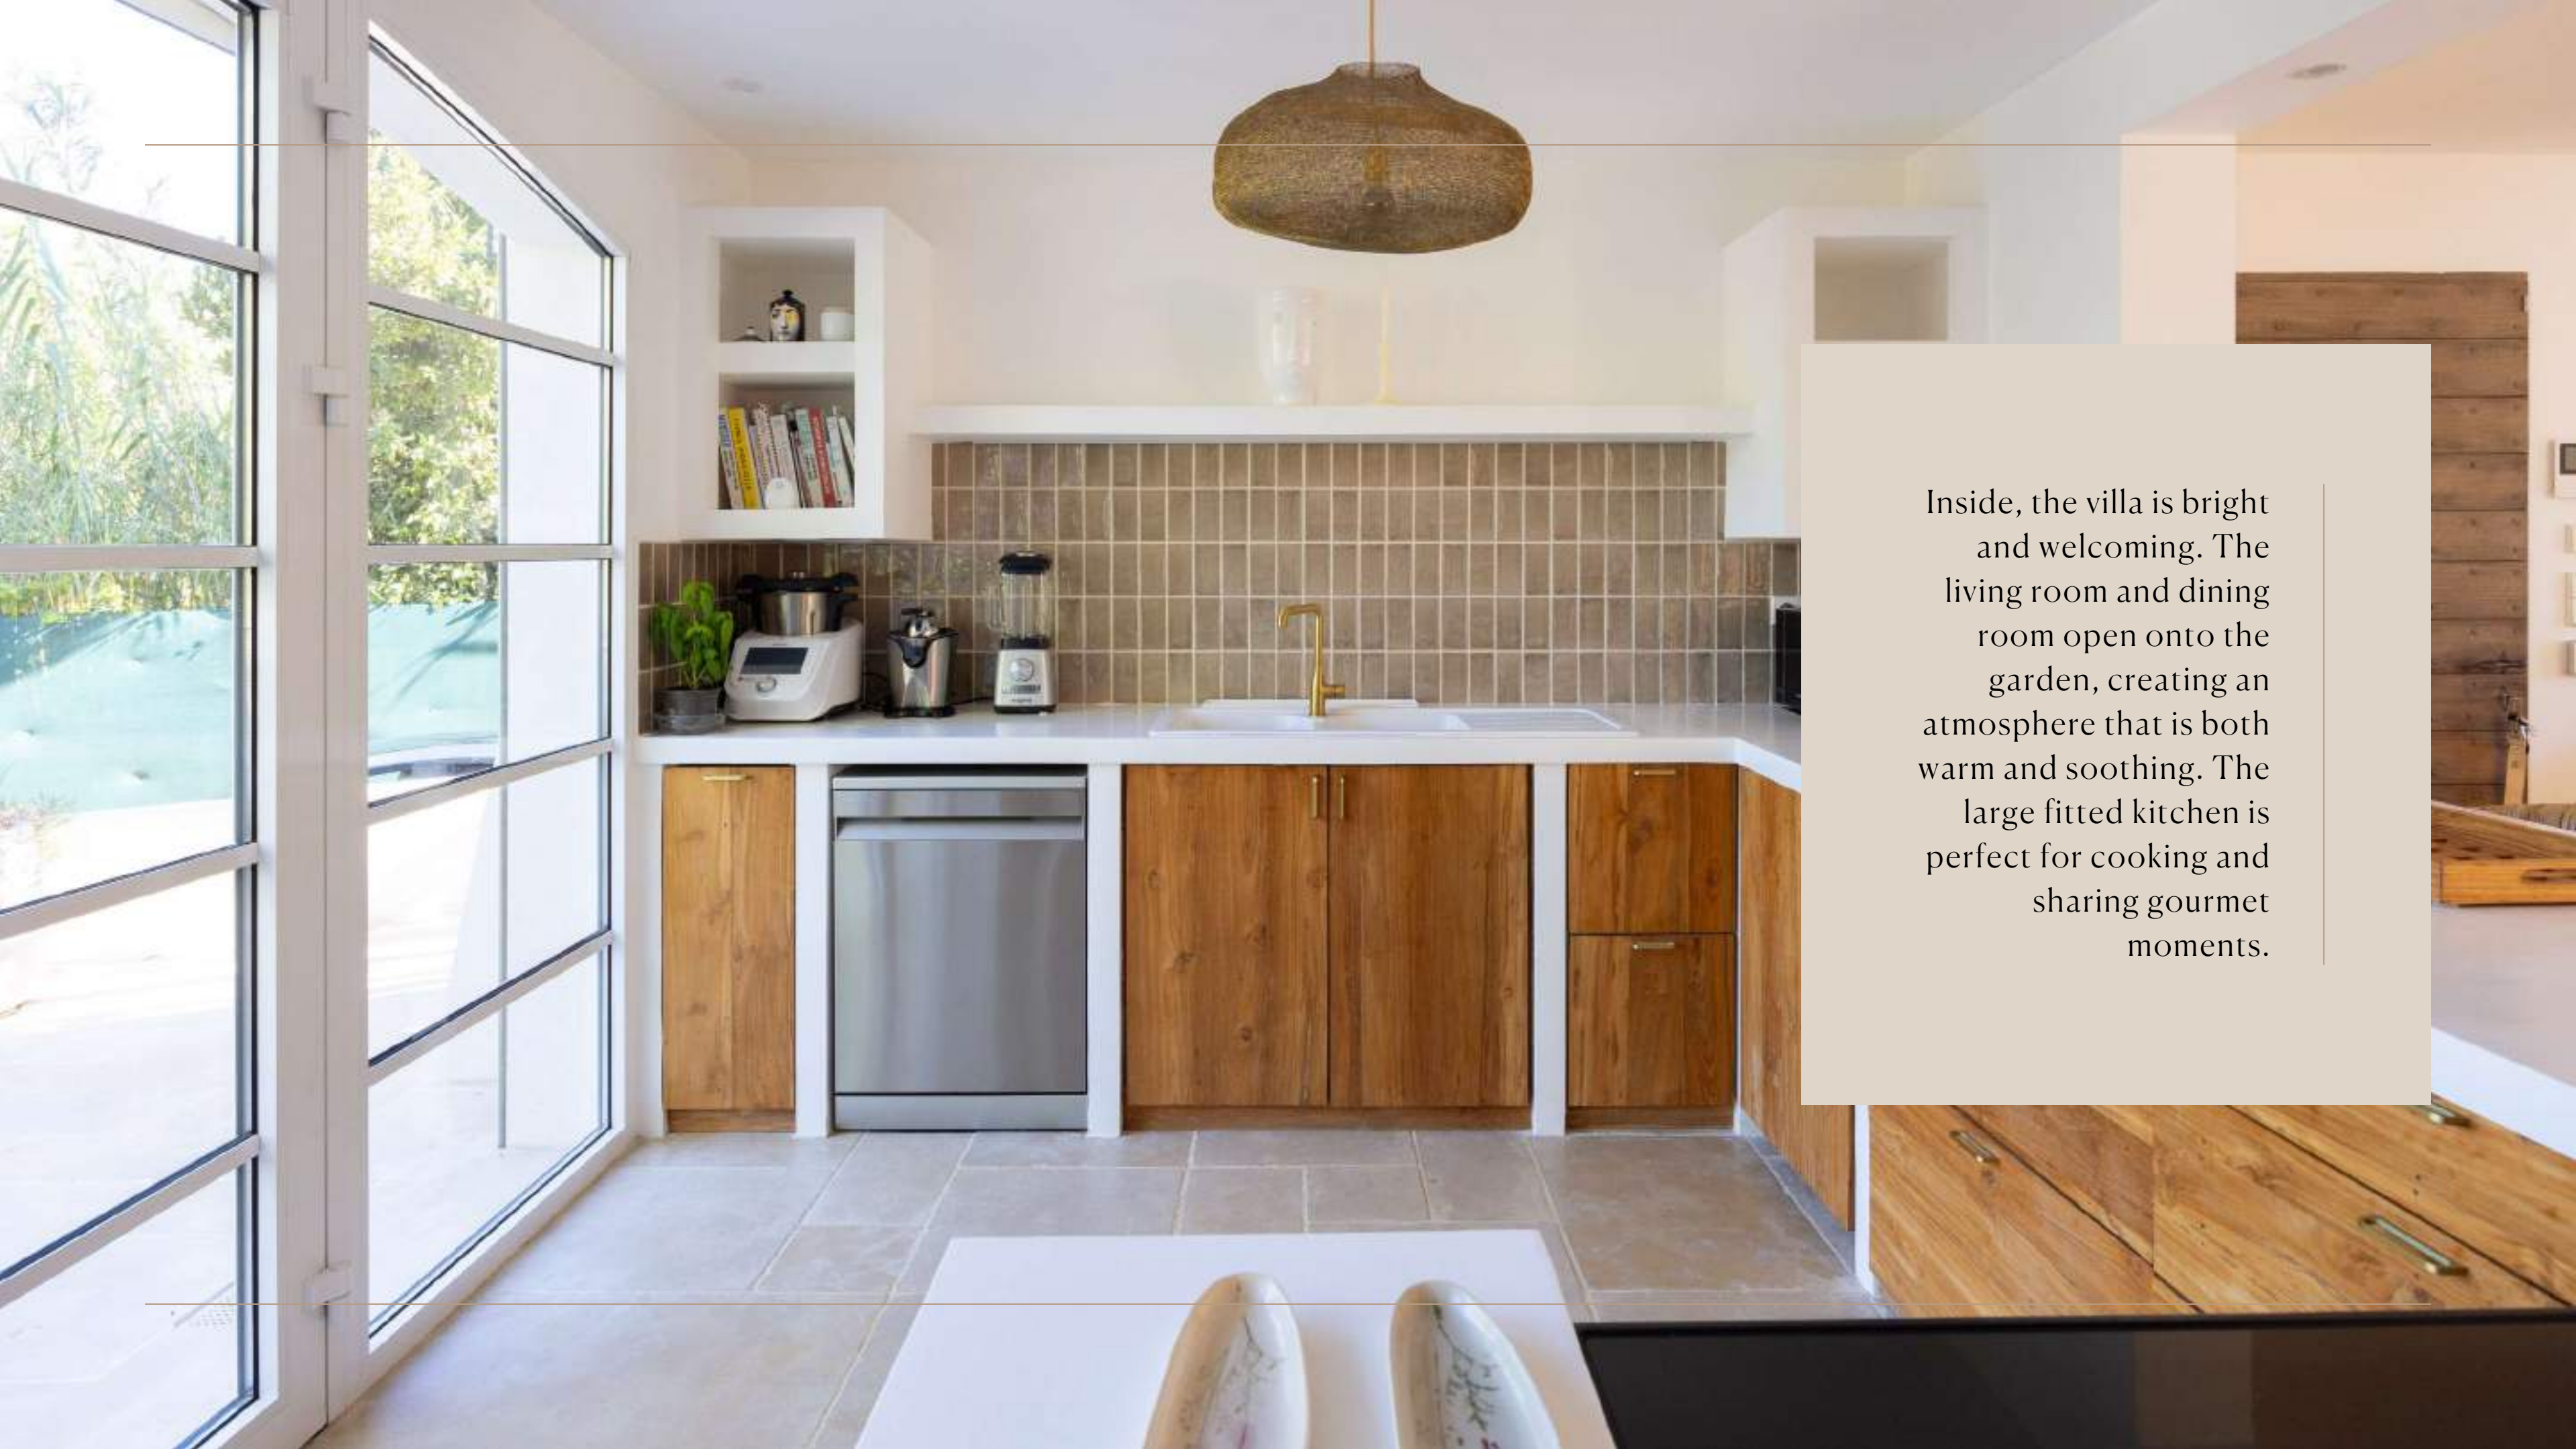

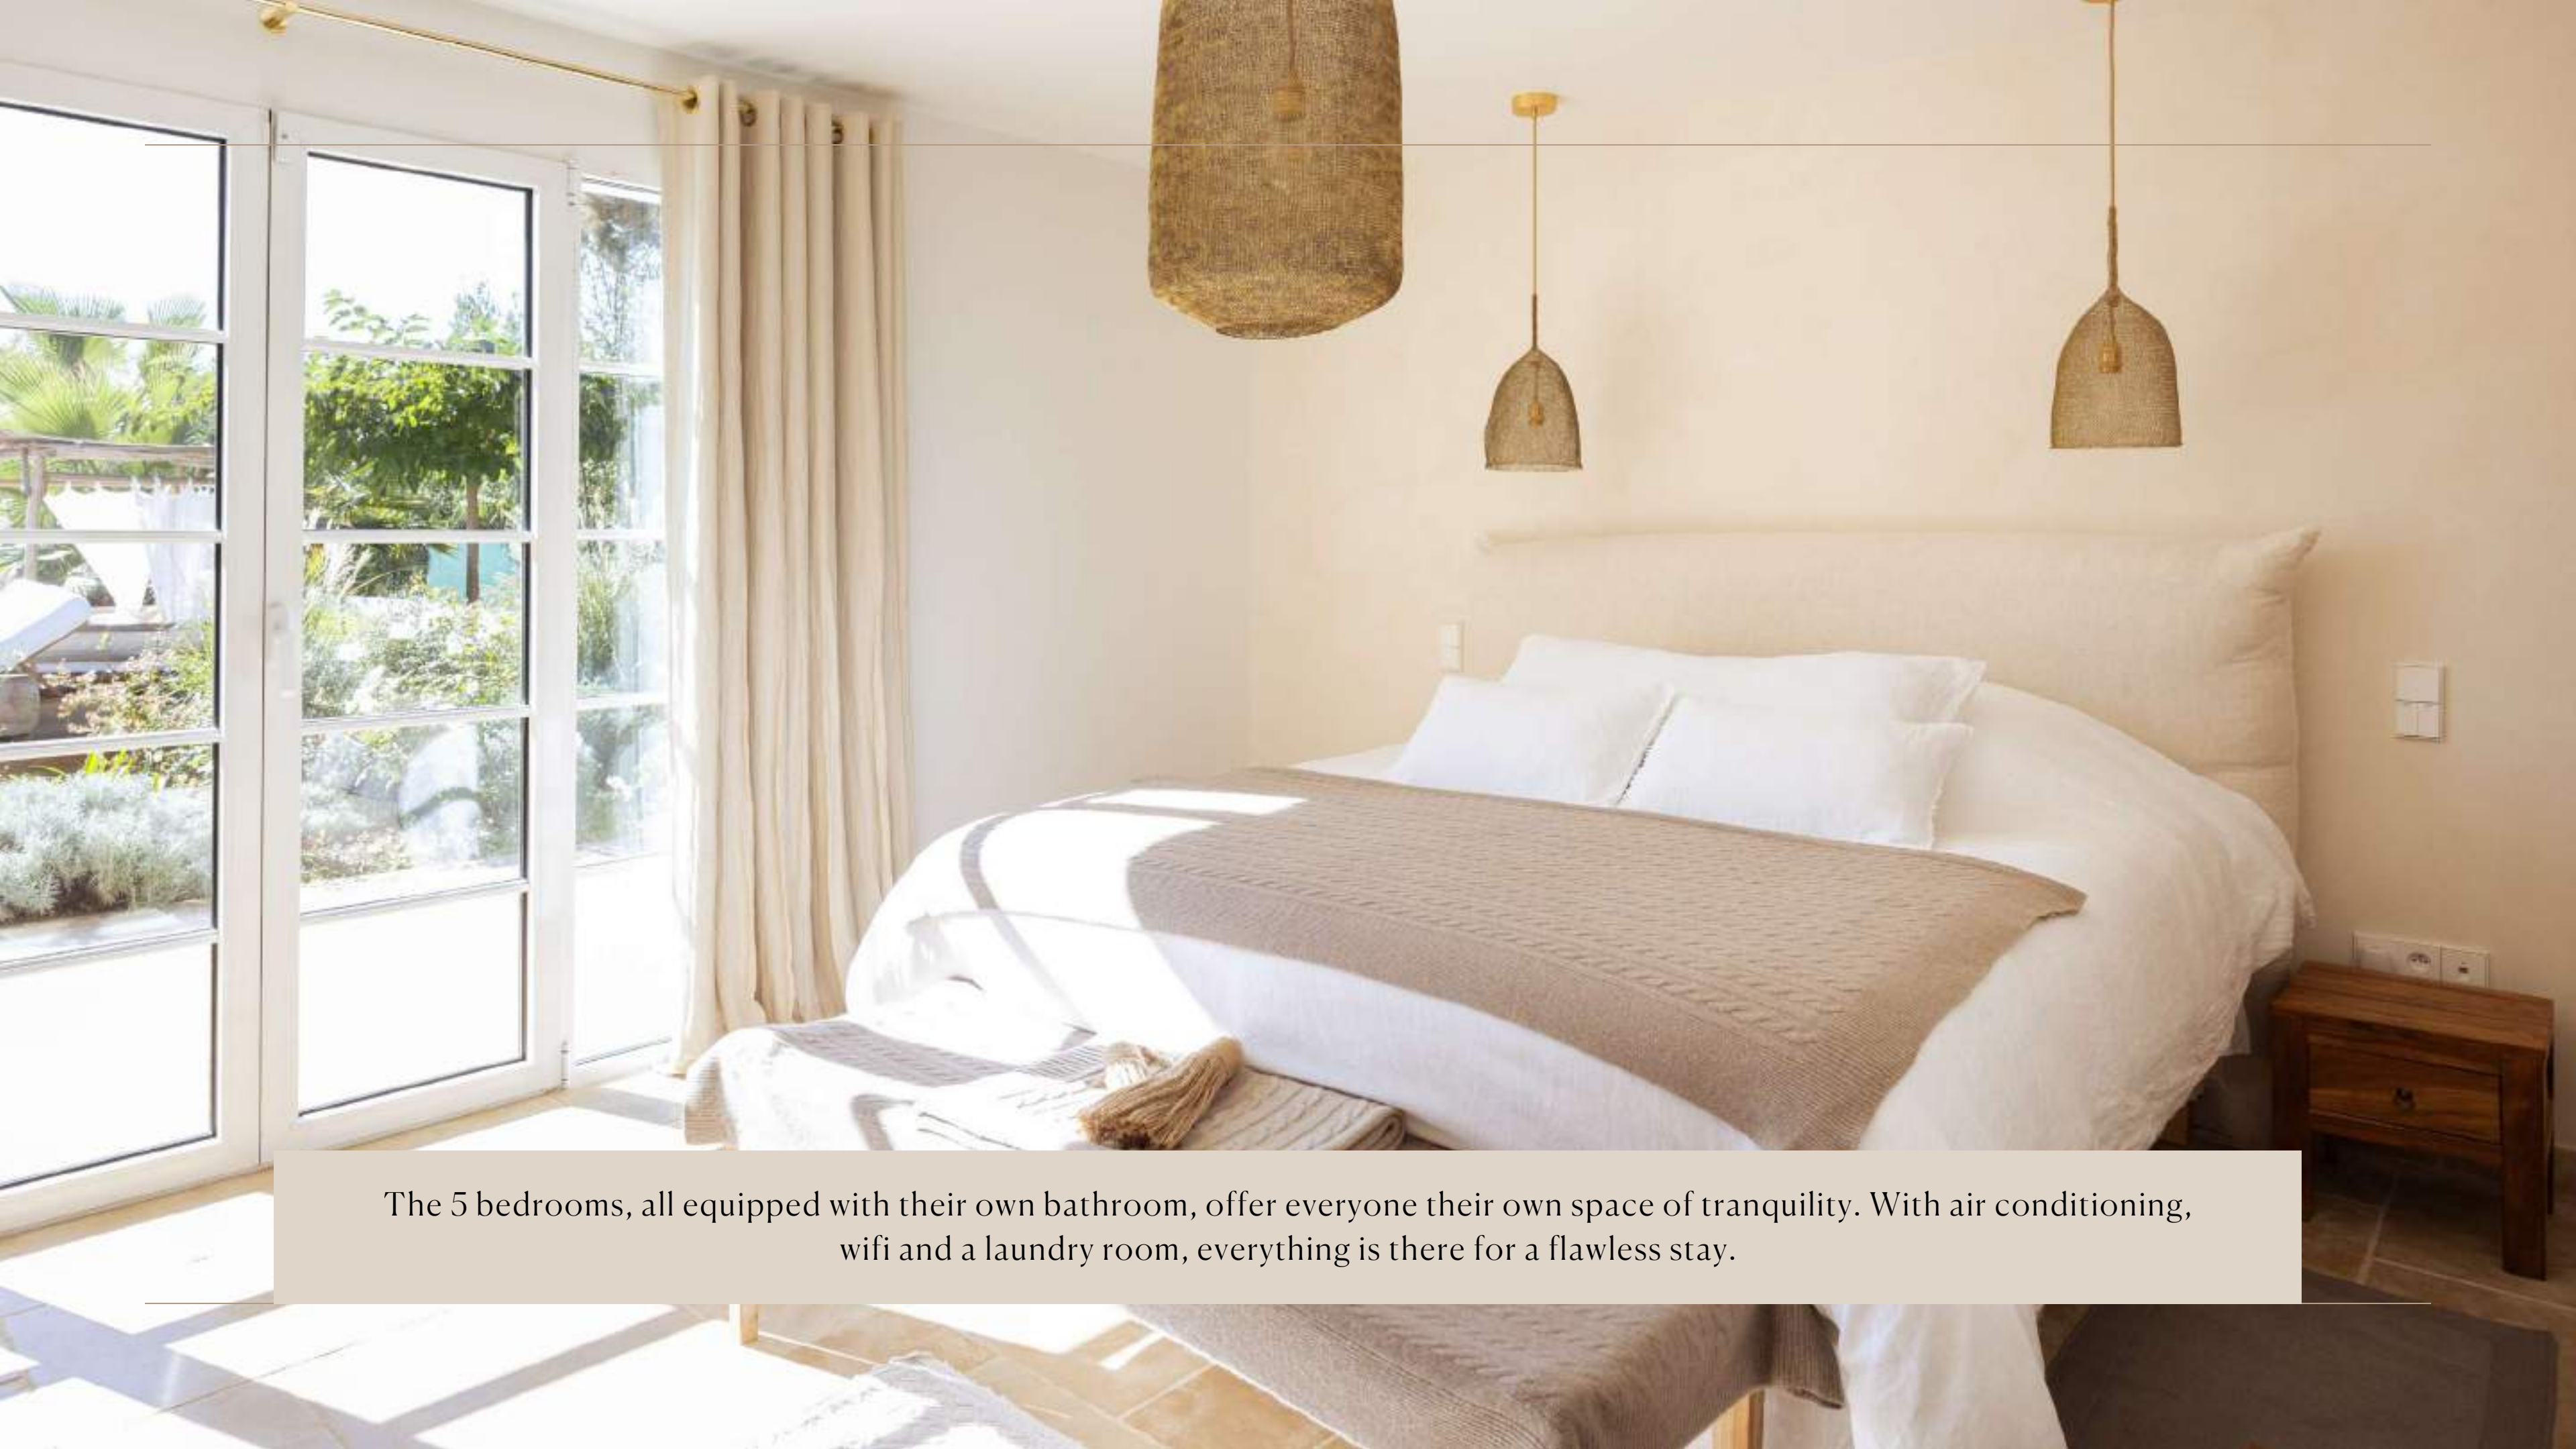

Inside, the villa is bright and welcoming. The living room and dining room open onto the garden, creating an atmosphere that is both warm and soothing. The large fitted kitchen is perfect for cooking and sharing gourmet moments.

The 5 bedrooms, all equipped with their own bathroom, offer everyone their own space of tranquility. With air conditioning, wifi and a laundry room, everything is there for a flawless stay.

Just 10 minutes walk from the beaches and a short drive from the mythical village of Saint-Tropez, the villa allows you to fully enjoy the beauty and liveliness of the region.

And to make your vacation even more enjoyable, housekeeping service is included, letting you simply savor every moment.
