Discover Villa Elias, an exceptional property nestling in the Parcs de Saint-Tropez. Its vast sun-drenched terraces, heated infinity pool and Balinese patio lounge offer an elegant, warm and relaxing setting.

Inside, the villa reveals a vast, light-filled living space comprising an elegant lounge, a fully fitted and equipped kitchen and a convivial dining area. This open-plan layout creates a warm atmosphere.

The villa offers 5 en-suite bedrooms, each with its own en-suite bathroom, guaranteeing each occupant optimum comfort and privacy.

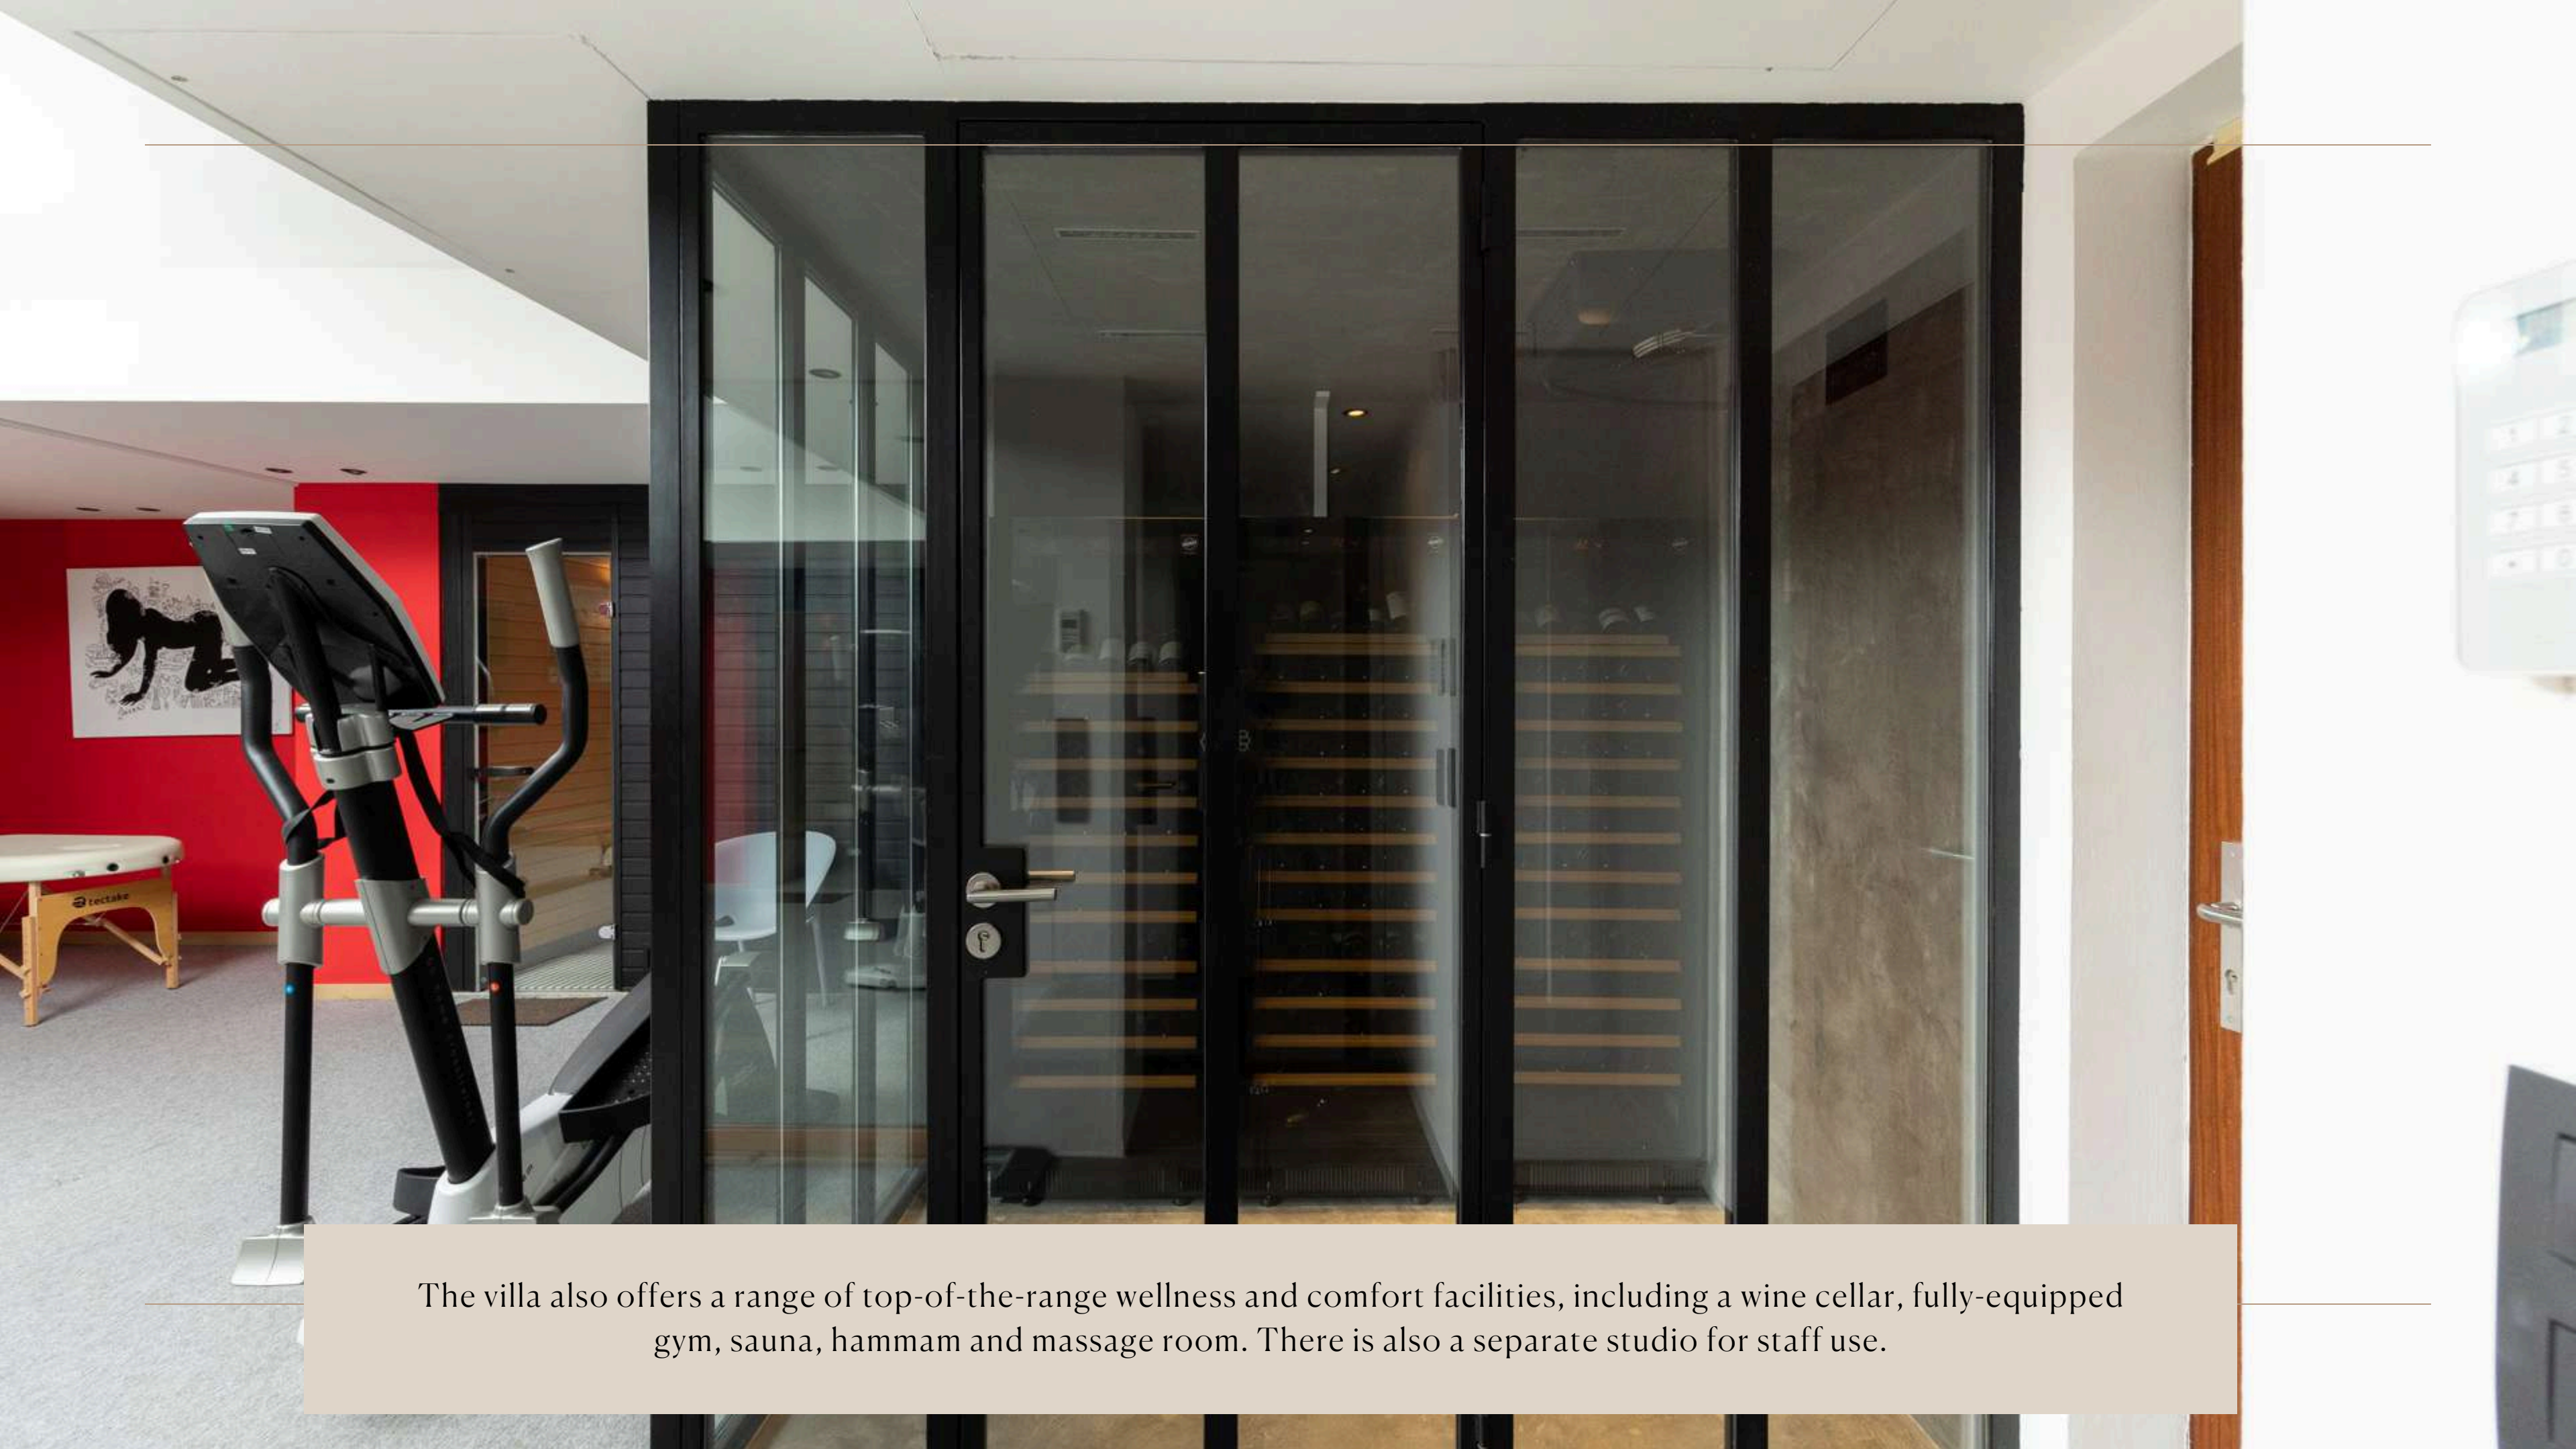

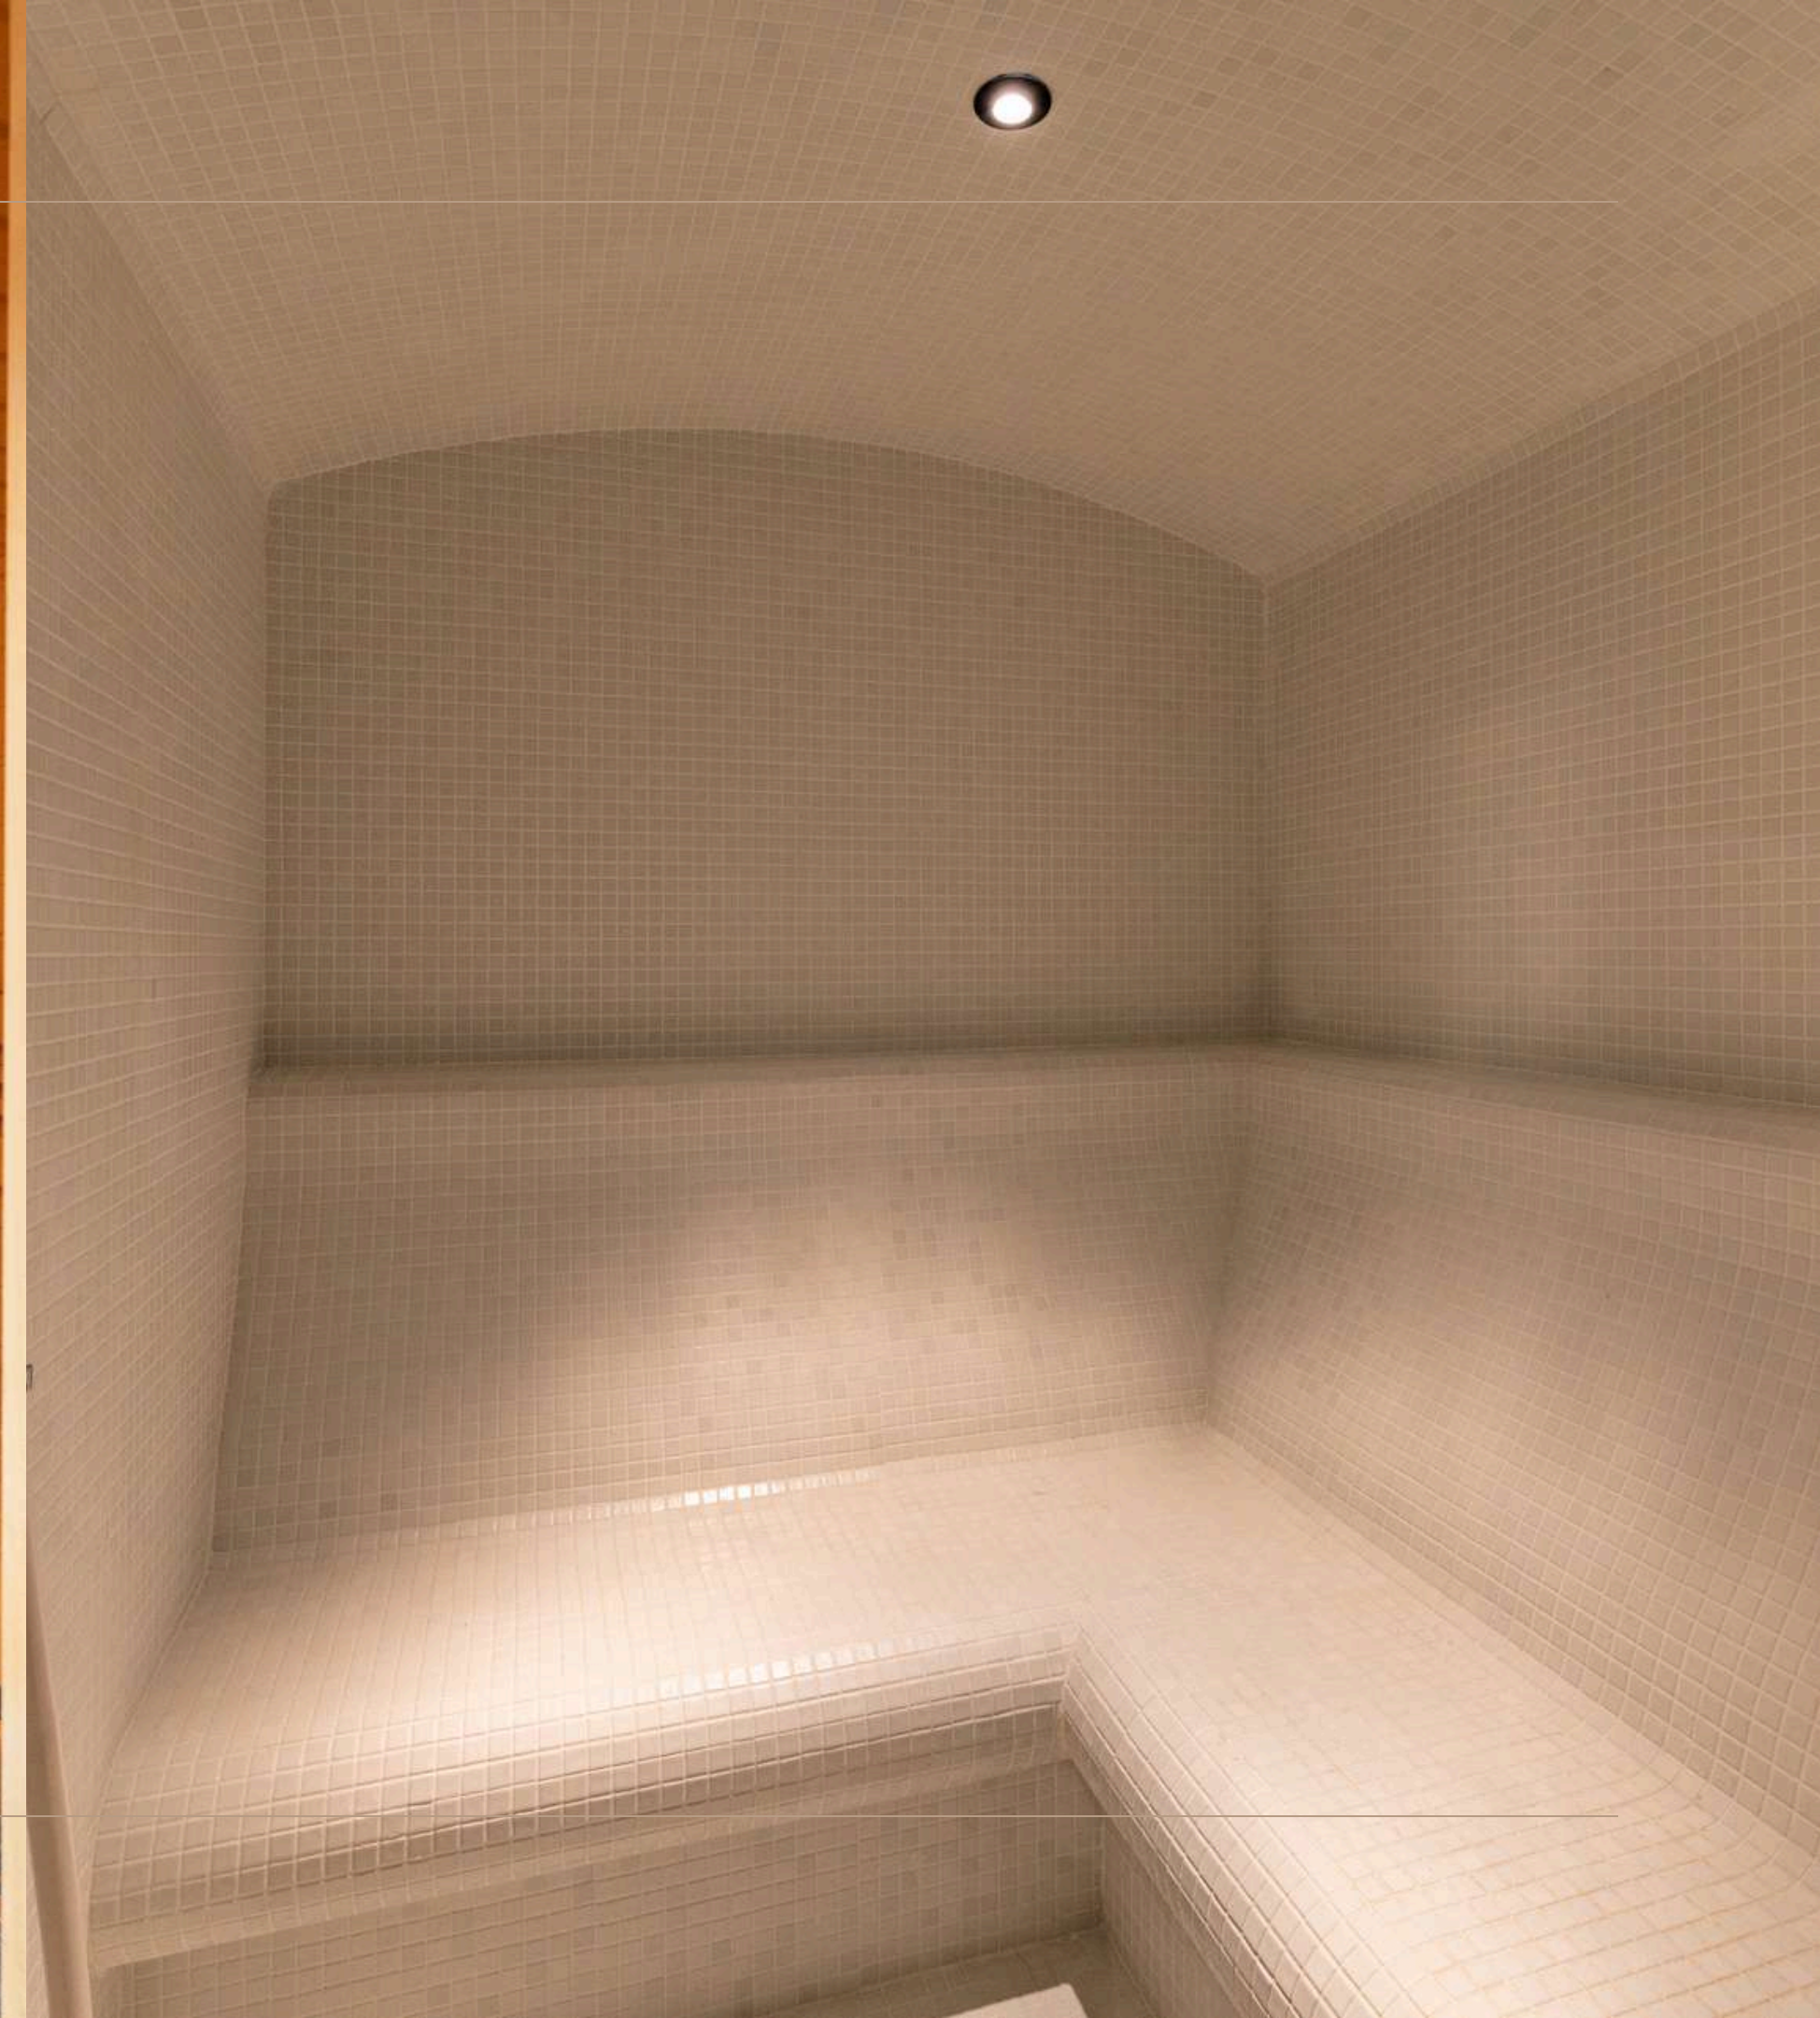

The villa also offers a range of top-of-the-range wellness and comfort facilities, including a wine cellar, fully-equipped gym, sauna, hammam and massage room. There is also a separate studio for staff use.

Ideally located in the heart of the Parcs de Saint-Tropez, the villa is just a 10-minute drive from the village centre. You also have privileged access to the Parcs' private beach.
