Villa Costaline opens its doors to you on the Salins beach: an exceptional property with direct access to the fine sand and spectacular views over the Mediterranean. Its wide, sunny terraces and 15x8-metre swimming pool create an idyllic setting for an unforgettable stay.

Inside, a vast living space comprising lounge, dining room and kitchen is decorated in white tones to create a luminous, uncluttered atmosphere. Large picture windows offer uninterrupted views of the pool and the Mediterranean, giving the impression that the villa is floating between sky and sea.

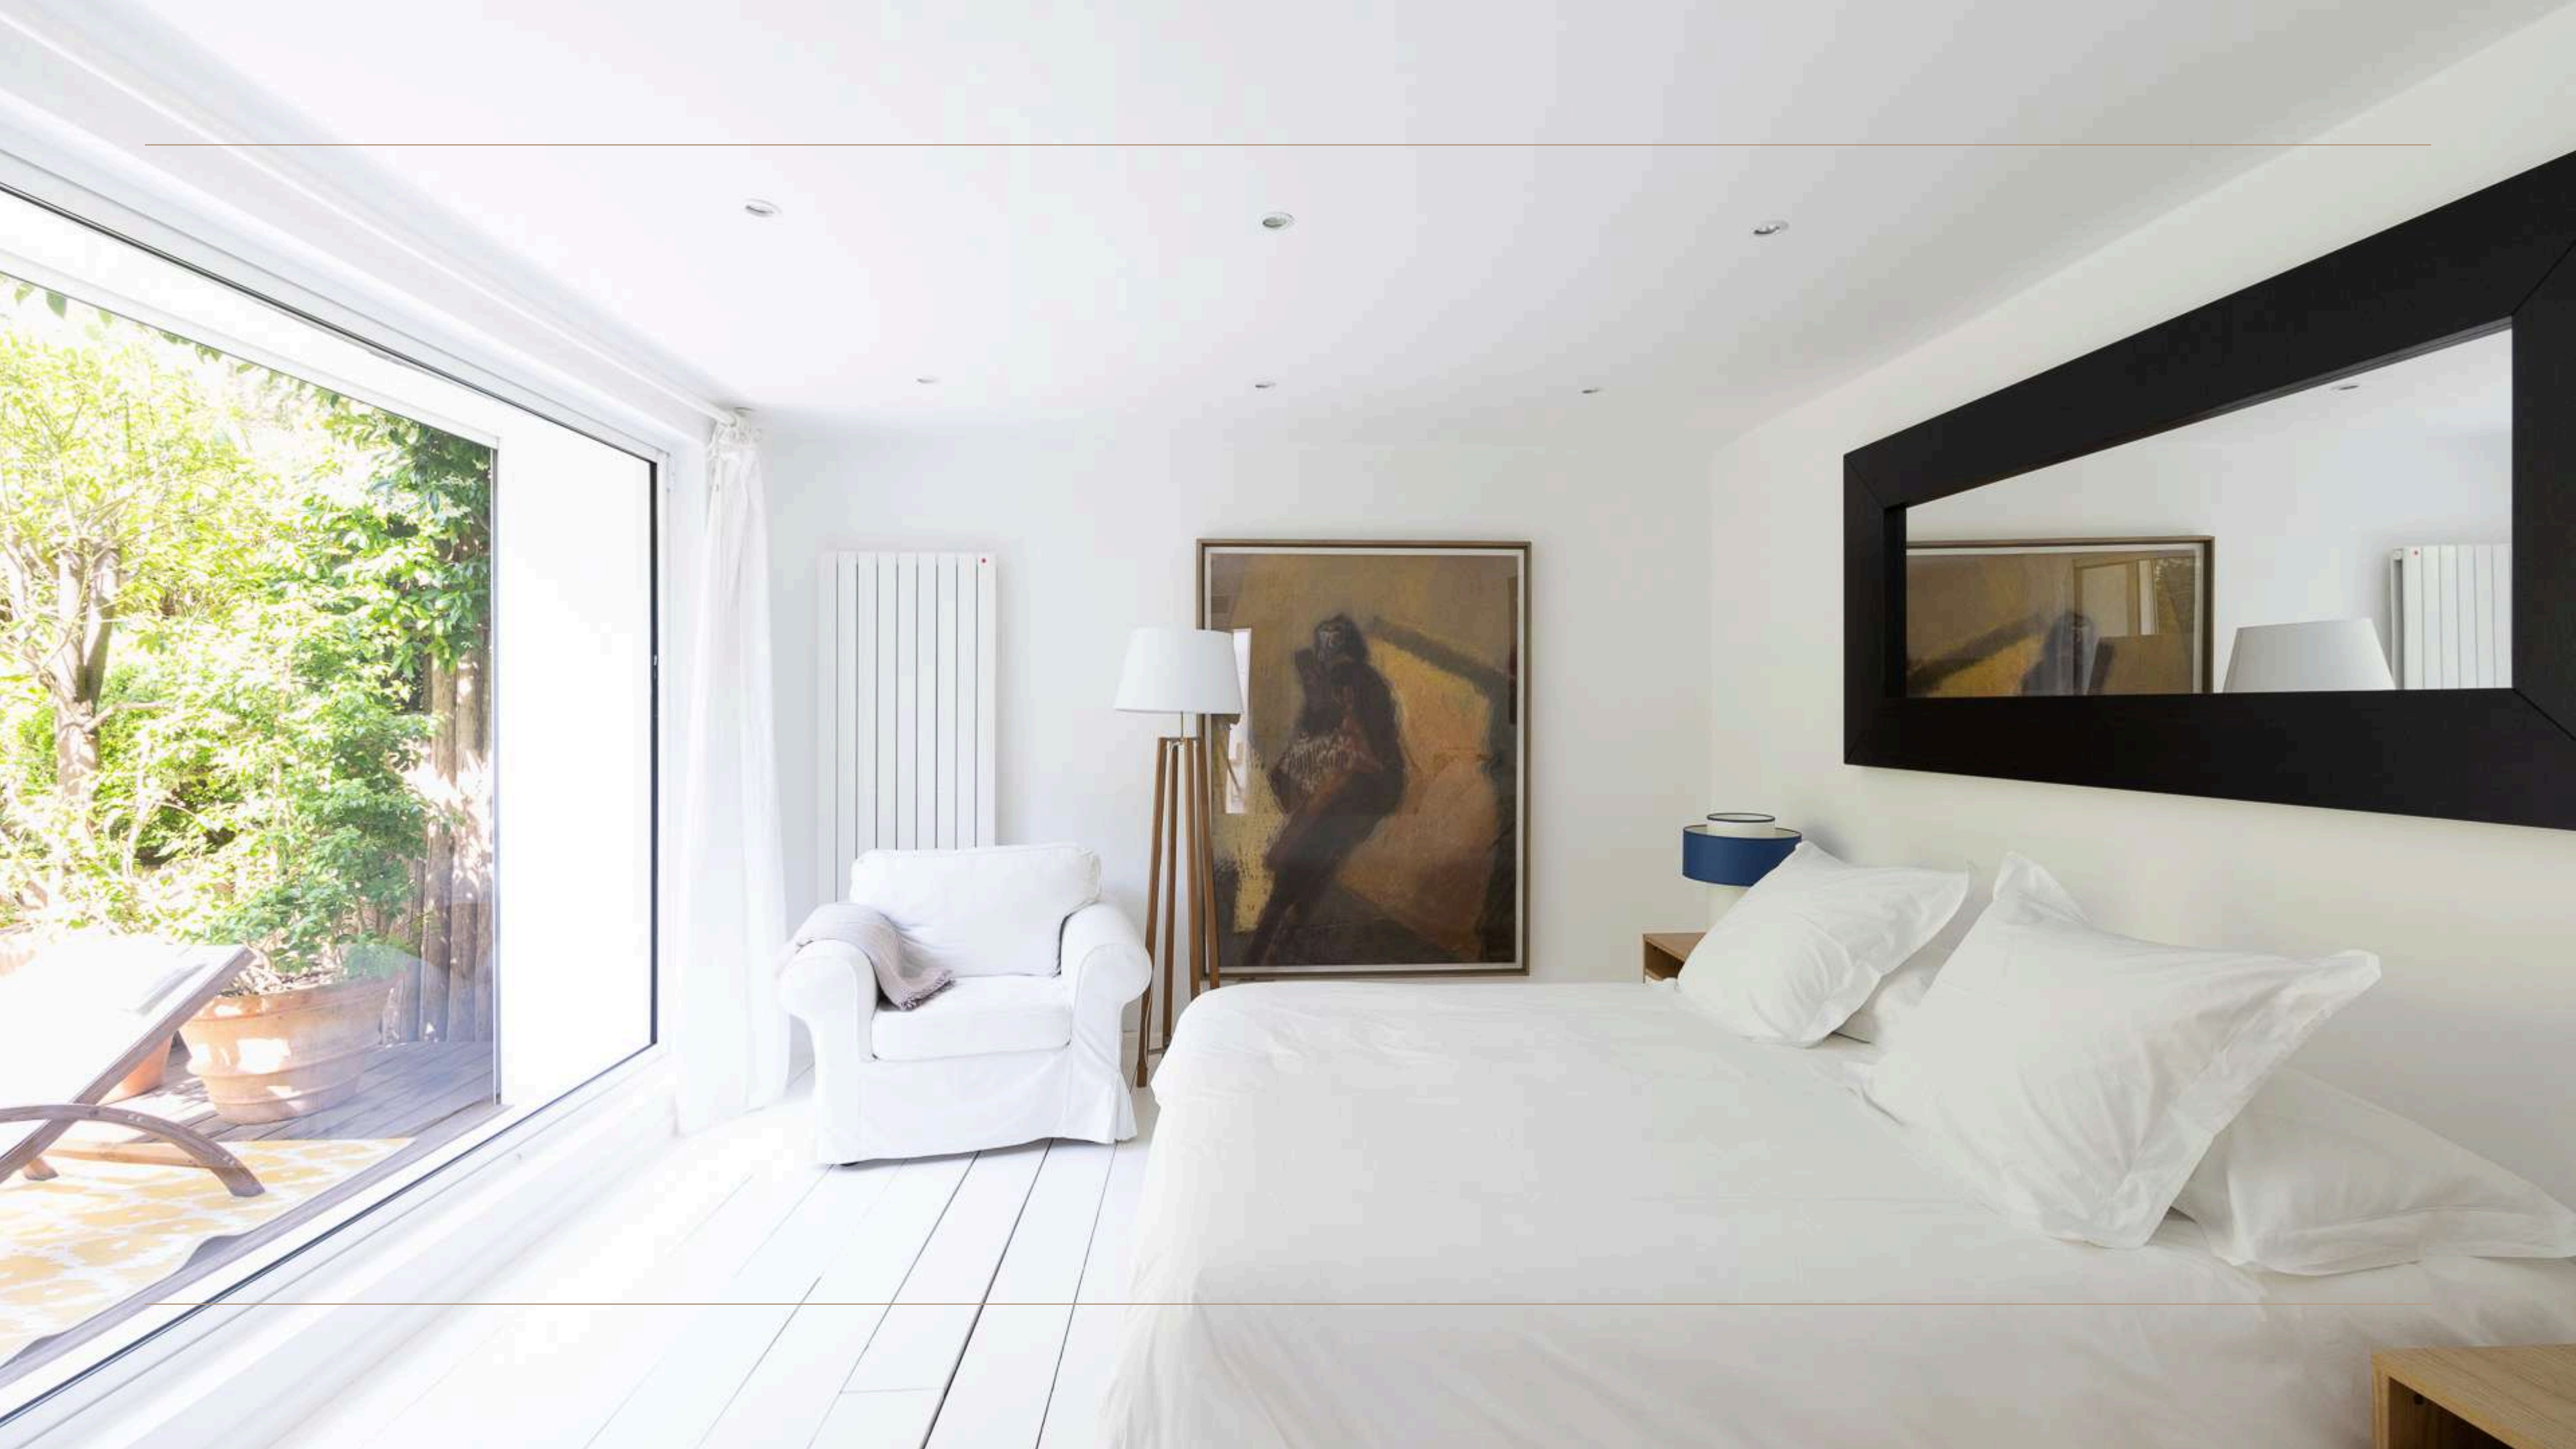

The villa has 11 en suite bedrooms, 7 in the main house and 4 in an outbuilding with its own kitchen and laundry room. Each bedroom has its own en suite bathroom, ensuring maximum comfort and privacy.

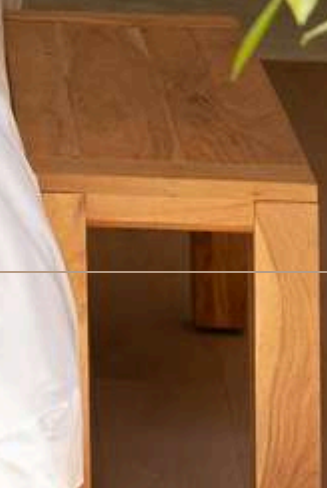

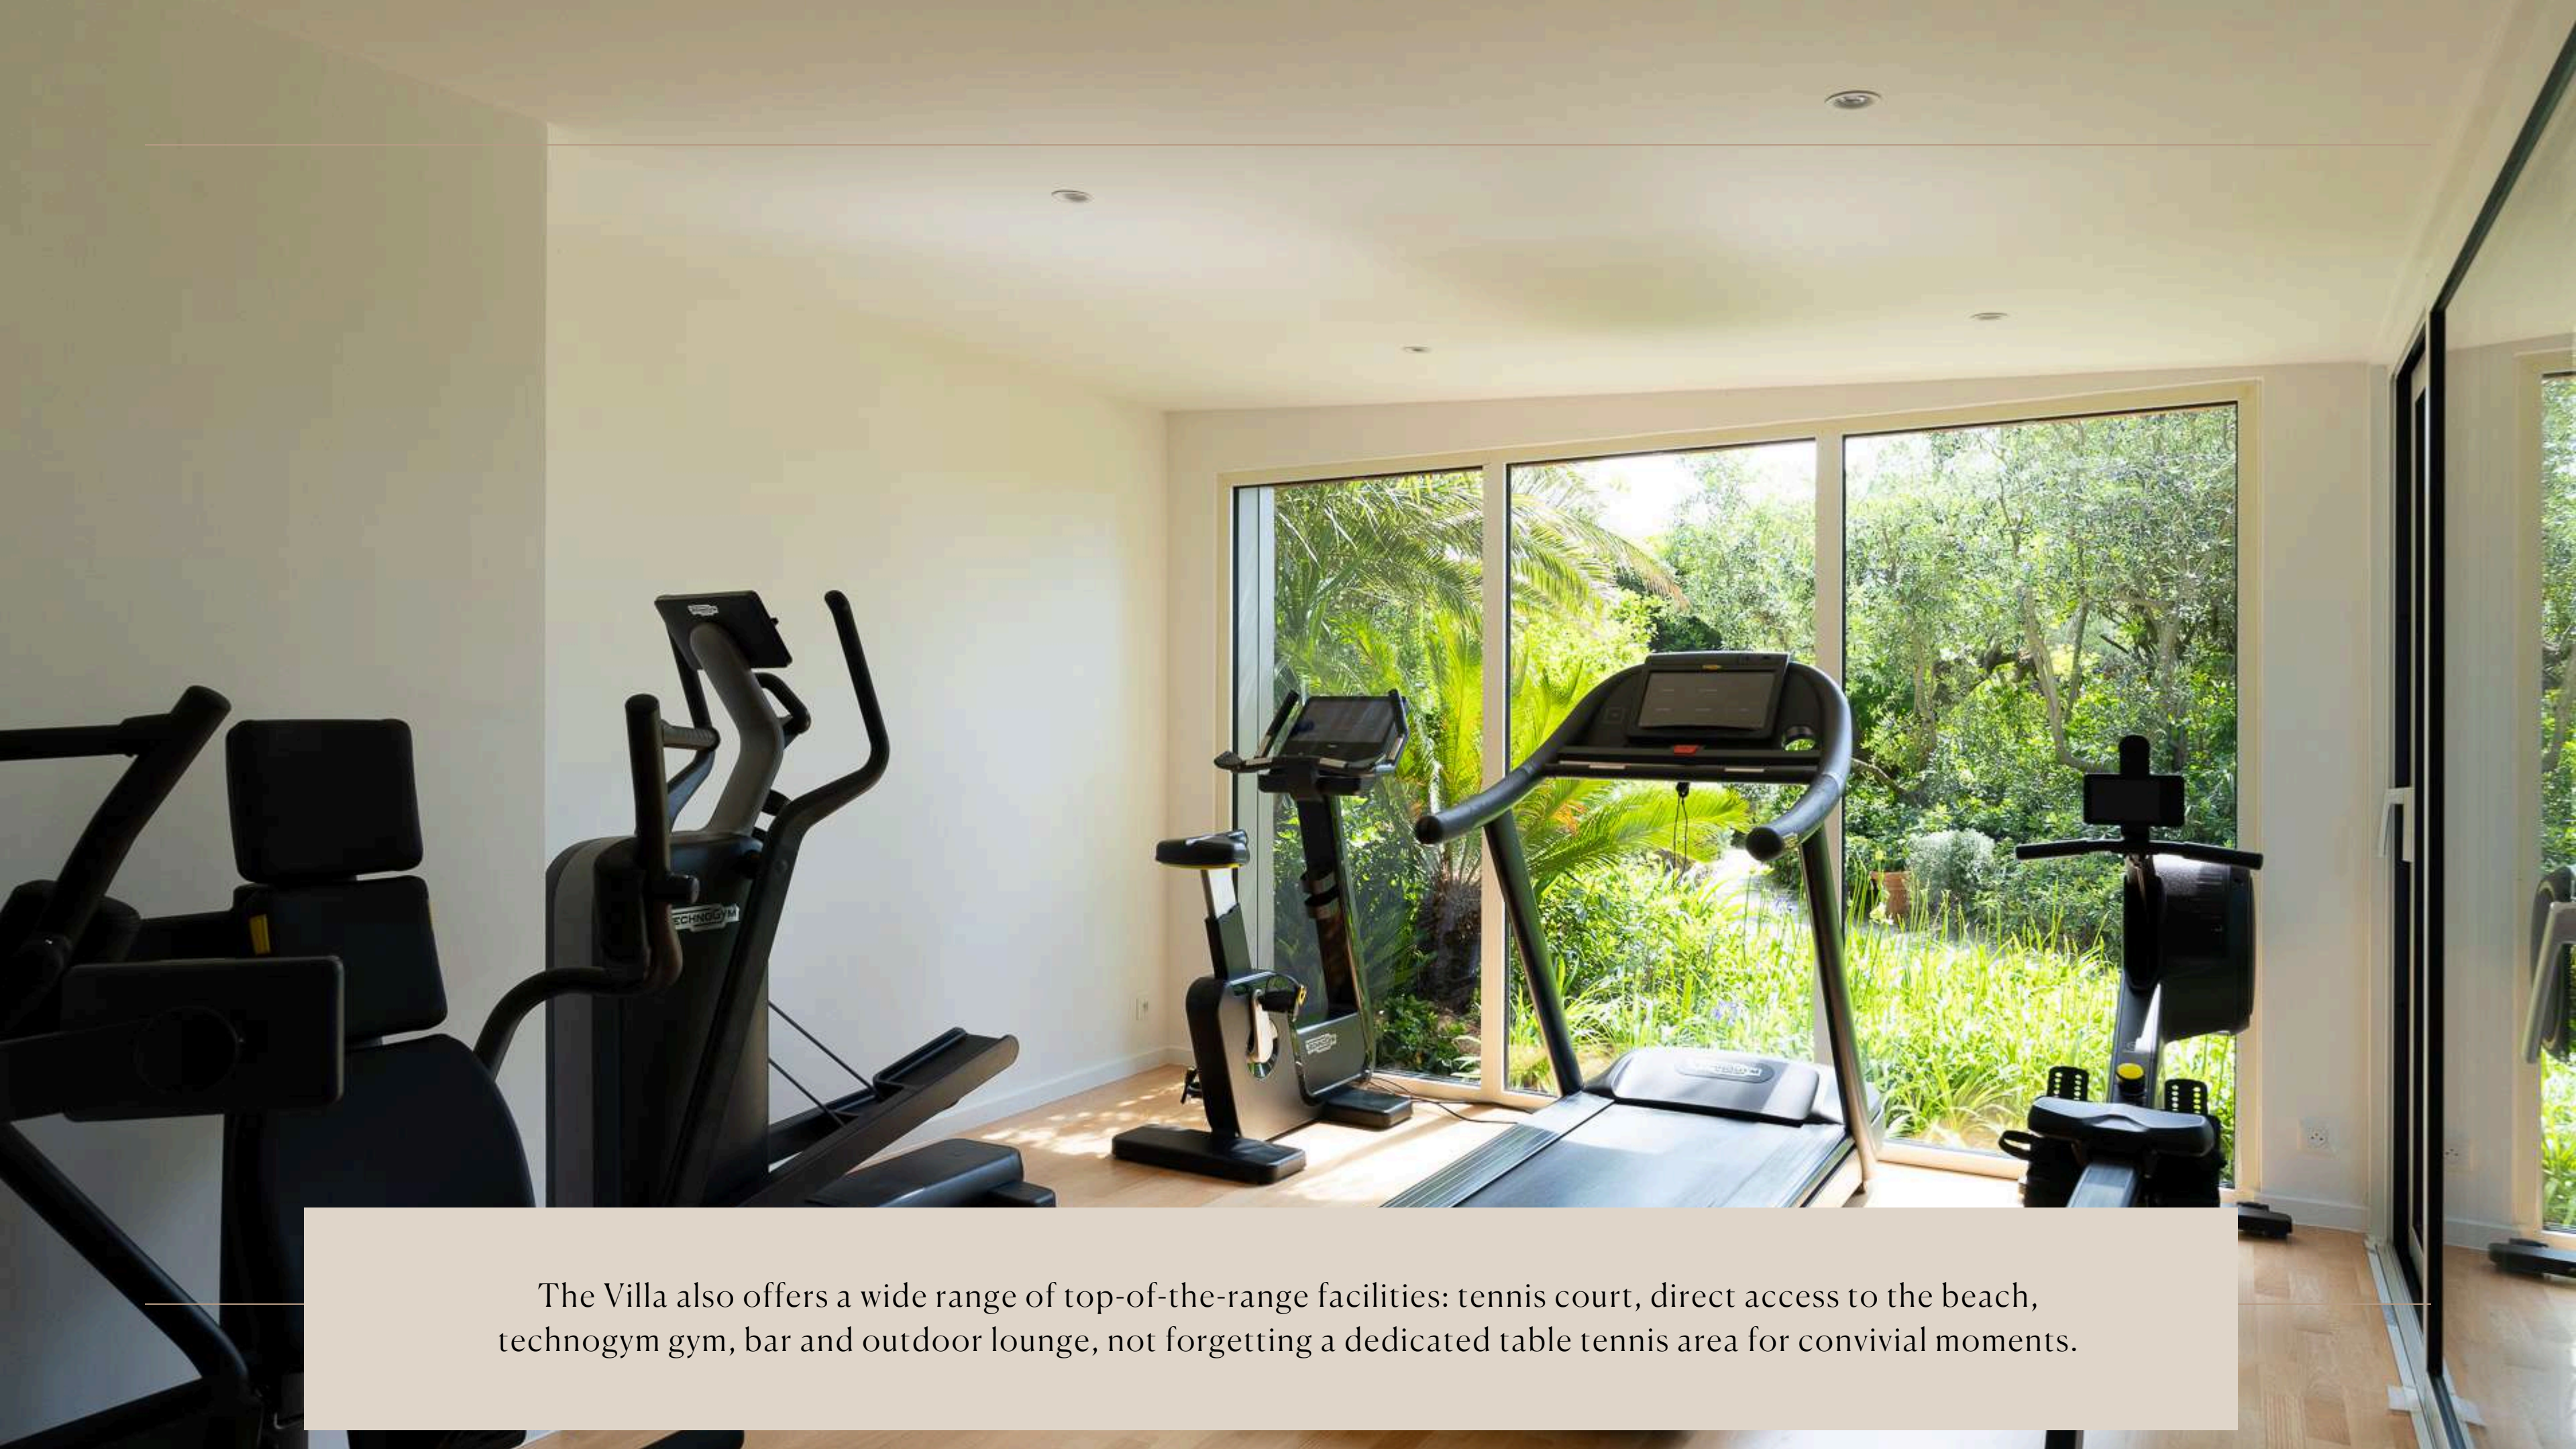

The Villa also offers a wide range of top-of-the-range facilities: tennis court, direct access to the beach, technogym gym, bar and outdoor lounge, not forgetting a dedicated table tennis area for convivial moments.

Ideally situated with its feet in the sand, on the popular Les Salins beach, the Villa enjoys a rare and privileged location. Just a 15-minute drive from the village centre, it offers direct access to the sea, combining the luxury of beachfront seclusion with the proximity of Saint-Tropez.
