	MBA+ Personal & Professional Development Activities (Non credit-bearing) A suite of non credit-bearing, extracurricular experiences including personalised career support, business clubs and competitions, social events and alumni services.																								

A maximum of 31 days in-person attendance is available on the Global MBA depending on elective choices, with the option to attend some at our global workshop locations. Some students will choose to reduce the face-to-face aspect of the MBA by taking some classes virtually. In addition to the commitment required above, there will also be some virtual mandatory elements, for example:

- > Business & Accounting: Three, 3 hour live virtual workshops at different times of the term.
- > Strategy & Competition part A: Group presentations will take place virtually. Three virtual workshop sessions. Three virtual workshop sessions on separate days.
