Step into luxury everyday

Choose Oh My Shower's easy-to-install, lightweight, mineral composite shower trays to effortlessly enhance your bathrooms.

Warm to the touch and anti-slip, our trays are expertly crafted to elevate both function and aesthetics.

Offer grounded elegance and unparalleled quality at an affordable price.

Why Oh My Shower

Antibacterial

Anti Slip

UV Resistant

Simple Repairs

Warm to the
Touch

Easily Cut
to Size

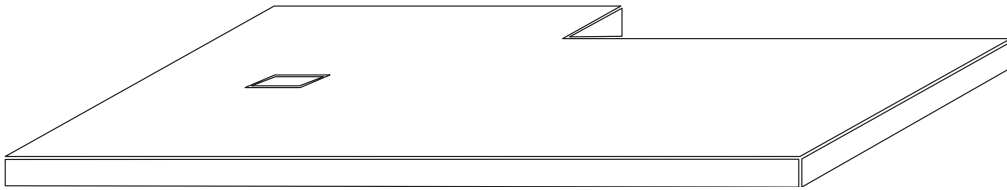

Elevated
Quality

Affordable
Luxury

Adaptable to every bathroom

Our shower trays can be cut to shape to create bespoke environments, seamlessly adapting to your unique project requirements.

Our mineral-based materials are completely silica free, guaranteeing safe and durable products.

We use 100% renewable energy, optimise our resources and minimise material waste to reduce our environmental footprint.

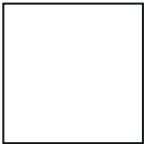

Slate

Matte finish, warm touch, natural stone look – Slate brings calm elegance to any bathroom. Made from mineral composite, with McAlpine Waste included.

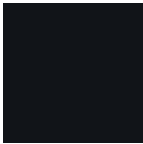

Available Colours

Arctic White

Charcoal Grey

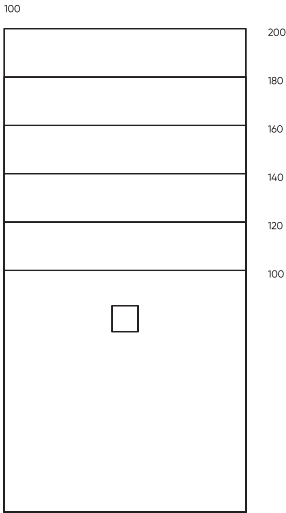

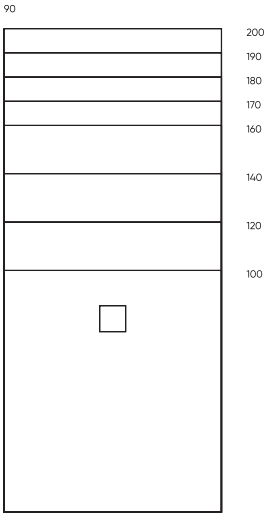

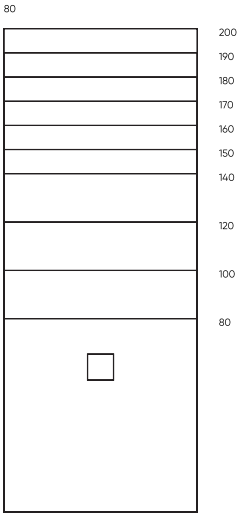

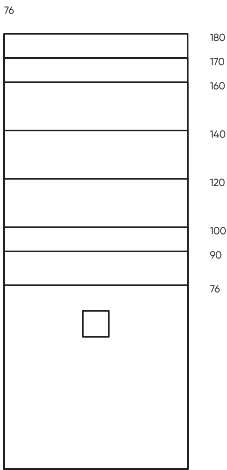

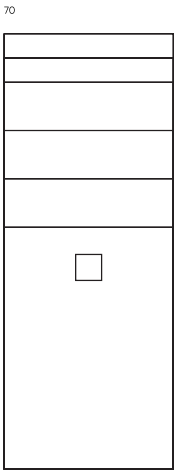

Midnight Black

The shower Trays are available in 3 standard shades with a chrome stainless steel grid as standard. Colour match grids are available to purchase separately.

* The "A" Value corresponds to the distance to drain in length. "B" corresponds to the distance to the drain in width.
 ** Values indicated in this table for the "A" & "B" drainage measurements refer to standardised lengths and widths.
 For intermediate measurements, the "A" & "B" distances correspond to the upper measurement.

McAlpine waste

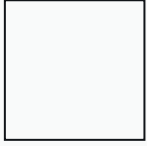

Glossy

Glossy combines a smooth, subtle shiny surface with the comfort of warm-touch mineral composite. Clean design, complete with McAlpine Waste.
