

Uncovering hidden gems in the small & micro cap space before they become mid caps. High Alpha, Low Beta.

Investment Philosophy

Invest in companies having a unique inherent operating advantages with excellent management pedigree and financial prudence whilst keeping the goal of shareholder returns in mind. These companies must have an inherent inclination to fulfill their vision/plans from internal accruals and take recourse to external means of funding only in a rare case (if at all).

After Fees & Expenses	Fort Value	Benchmark
CAGR (last 2 years)	1.00%	8.73%
CAGR (last 3 years)	10.31%	16.41%
CAGR (last 5 years)	20.67%	16.44%
CAGR (Since inception)	13.20%	13.34%

Key Features

1. High focus on **value investing**, uncovering hidden gems in the small & micro cap space
2. Ground up **grass root research** and **due diligence** through 14 quarters of tracking for confirmation of re-rating potential
3. **Invest and hold/add** till either maximum potential is realised or better alternative becomes available
4. Long term bottom-up approach with **lower churn**

"Disciplined bottom-up approach is the mantra to generate superior returns in the small and micro cap space"
- Ishan Thakkar
