Dear PS/MS 105 Families,

It is both an honor and a pleasure to welcome you to the 2025–2026 school year! I hope you all had a relaxing and enjoyable summer break. I am incredibly proud to serve as the Interim Acting Assistant Principal of this amazing learning community.

As I continue in my role as an administrator, I fully understand the importance of collaboration and will embrace every opportunity to work alongside my fellow administrators, educators, students, and families. Together, we can ensure that every student achieves success at PS/MS 105.

I am deeply committed to supporting the academic, social, and emotional development of all students. Building strong partnerships between home and school is essential for ensuring the best outcomes for our learners. My goal is to nurture a positive and inclusive school culture that promotes respect, kindness, and collaboration. As an educator with experience in diverse communities, I firmly believe that every child can succeed when their learning experience is built on a foundation of empowerment that fosters an "I CAN" mindset.

I encourage open communication between home and school, so please don't hesitate to reach out with any questions, ideas, or concerns. I am here to support you and your child in any way I can. Your involvement is crucial to our shared success.

Thank you for trusting us with the privilege of educating your child. We look forward to working closely with you and your family to make this year a rewarding and successful experience for all!

Warm regards,

Nicol Casey
