Ephesians 6: 18-20.

From our Partners at BigLife (cover image)

“Brother Edwing in Colombia sent us this update on the work happening among the Wayuu people. . .

“Yesterday morning, a Wayuu family sent me photos of their 3/3 meeting [i.e., “Look Back; Look Up; & “Look Forward”] at their home. They worshipped the Lord, prayed for one another, and studied God’s Word together. They wrote to me saying they were so happy to be able to be a church that meets in a simple yet wonderful way in the name of Jesus.

“Let’s pray for Maira, Melissa, Jaider, and Jeider. They are all very young, but they are already leading a home meeting in obedience to Jesus.”

Romans 16:3-5.

Remember the Lord’s Specific Command to Pray about His Work and Especially His Workers

“Then He says to His disciples, ‘The harvest is great, but the workers are few! Therefore, pray earnestly to the Lord of the harvest to send out workers into His harvest.’”

Matthew 9: 37-38. (*Disciples’ Literal New Testament & English Standard Version.*)

Prayer Requests from Evangelists to the Deaf

Our ministry partners at DOOR International have shared the following requests:

- For Cindy, who is seeking approval to start a deaf Bible study for women at a nearby prison.
- For their Bible translation teams, who report facing spiritual warfare on a frequent basis.
- For Allan, who spent his time recently stranded at an airport telling others about Jesus, and for the woman who opened her heart to the Lord.

Romans 8: 28.

Doulos Staff Requests

Please pray for the Lord's will, guidance and direction at three upcoming events:

- Our CEO Retreat, scheduled for April 13–17. Doulos' CEO and President will join the CEOs of our seven ministry partners to seek the Lord together, plan strategically for the year ahead, and offer mutual encouragement.
- The Doulos Board Meeting on April 23, as the team gathers to seek the Lord, share updates, and celebrate His continued work and growth through the ministry.
- The "Boston Mega Metro" event on April 26–29. Brian and David will join Christian business leaders, pastors, and organizations for a meaningful time of leadership development, growth, and connection.

A New Beginning in Chicago

A Story from our Ministry Partner, New Generations

My name is Crystal, and I'd like to tell you my story. I was feeling depressed and lonely, having recently moved to Chicago. My relationship with the father of my third child was rocky, and I struggled as a mom.

I was born in Venezuela and had somewhat religious parents, yet our home was very dysfunctional.

I found myself living in a big city, feeling very alone.

I was invited to a Thanksgiving/Welcome to the Neighborhood party by people who had helped me when I was at a shelter last year, so I went with my three children. I was touched when Chris prayed for me, so I decided to invite them to my home the following week. When they came to visit me, Chris asked if I would be willing to invite neighbors in my apartment building for dinner, prayer, and a Bible Study. I was so excited that I asked everyone from my apartment building to come to my home.

Several of my friends came to this Discovery Bible Study (DBS), and these times have become a saving grace for me. The father of my child eventually attended, and soon we both wanted to follow Jesus. We decided to get married, and he and I got baptized along with several other people from our group. Our group has now become a small church in our neighborhood, and we are helping other people come to Jesus. We believe that Jesus has called us to make disciples, and several members of our church are hosting DBS groups in their apartments. God has truly blessed us since we arrived in Chicago.
