“Prayer changes things. Prayer changes people. Prayer changes me.” - Dick Eastman

Celebrating the Life of Dick Eastman of Every Home for Christ

From our partners and friends at Every Home for Christ:

“On April 21, 2026, Dick Eastman, former president of Every Home, passed into the presence of his Savior after over five decades of mobilizing prayer and calling believers to carry the Good News of Christ to the world. Under his leadership, Every Home carried the gospel to people in 215 nations, over two billion individuals encountered the gospel, and over 250 million people responded to Jesus. His unwavering faith in the power of prayer leaves a lasting, global impact.”

Matthew 25: 21.

For the Deaf

Door International is asking for prayer for Pioneer Bible Translators as they continue developing materials to reach Deaf people groups, for the Deaf International Institute in the Philippines, as their latest cohort of Deaf leaders start ministry in their countries, and prayer for wisdom and guidance for any ministries seeking to start work among Deaf people groups. **Hebrews 13: 20-21.**

Spread of the Gospel

New Generations asks us to pray for church planting and for new believers—that the gates of hell will not prevail against newly planted churches, against churches that will be planted, or against the multitude who will be drawn to Christ. **Matthew 16: 18.**

ACHIEVE

Our Partners at TTI ask for prayer for unity among the team and a deep understanding of the ACHIEVE vision. The work has just started in Mozambique. Please pray that the right zonal leaders will be available and passionate about disciple-making and church planting. **Psalms 133: 1**

Fourth Generation

East-West asks us to pray for the disciple-making trainings currently happening in East Africa. Ask the Lord for these disciple-making groups to continue meeting and multiplying into the fourth generation. **2 Timothy 2: 2**

Protection and Provision

E3 Partners asks us to pray for Christians in the Middle East. Pray for safety for brothers, sisters, and national partners who have had to flee their homes. Ask God to meet their needs for long-term housing. Pray for our teams who are assisting them. Pray for wisdom, protection, and for the Gospel to keep going forward. **Psalms 91: 1**

A Deaf and Mute Practitioner of Disciple Making Movements

“I want to share the story of a young believer from our deaf community. Christian is 26 years old and has been deaf since early childhood due to meningitis.

“After finishing primary school, life became increasingly difficult for Christian. The people around him grew hostile, and conflict became a regular part of his home life. These struggles came not only

from injustice within his family, but also from the physical and emotional changes of adolescence—changes that no one ever explained to him or helped him understand.

“Because of these challenges, Christian was unable to continue his secondary education. He survived by doing odd jobs, earning barely 1,000 CFA francs a day—less than \$2 USD, not enough to meet even basic daily needs. Feeling isolated and unwanted at home, he eventually moved into a small room outside the family house. At that point in his life, Christian had never even heard of God, let alone known that God loved him.

“In 2023, everything began to change. Boaz, a disciple who is also deaf and a Disciple Making Movement (DMM) practitioner we mentor, met Christian and shared the good news of Jesus and His work on the cross. For the first time, Christian felt truly seen and understood. He realized there was a place where he could belong—a new family rooted in love. In response, Christian chose to follow Jesus and was baptized.

“Since then, Christian’s life has been marked by joy and healing. The rejection he once carried has been replaced with hope. He faithfully participates in spiritual gatherings, including Bible study groups, Sunday worship, and prayer meetings. His passion is evident, and his desire to grow in Christ continues to deepen. Christian is now a committed disciple of Jesus, with a strong longing to see other deaf individuals come to know the same love he has experienced.

“Christian’s transformation has been a great encouragement—especially for Boaz, who has seen the fruit of his faithful witness. It has also inspired others in the group to share the gospel with greater confidence. What began as a small ripple has grown into a wave. When Boaz first shared the gospel with Christian in early 2023, the group had only three members. By September 2024, the group had grown to fifteen. They are now preparing to multiply into two groups, and Christian is expected to lead one of them.

“Just over a year ago, Christian felt lost, rejected, misunderstood, and without purpose. Today, he is a disciple of Christ who experiences God’s love daily and shares that love throughout the deaf community. He has become a leader.

“We eagerly pray for many more stories like Christian’s. Our desire is to see a movement of faith grow within the deaf community.

“To God be all the glory.”

Isaiah 35: 5-10.
