Ways to Pray for the Unreached

From our partners at East-West:

Praying for unreached people can feel overwhelming at first because there are such a wide variety of unreached nations and people groups. It may help to focus on the similarities, especially with regard to their needs for the gospel.

- For doors to open to share the gospel among new people groups and nations
- For the Spirit to prepare hearts to hear the message of the gospel
- For the unreached to hear and accept the gospel
- For translation of the scriptures into their language
- For the meeting of their physical and spiritual needs
- For leaders and persons of peace to emerge from each people group
- That God will show himself supernaturally through dreams, visions, and miracles
- For the removal of spiritual blindness of the unreached
- For new avenues to see and hear the gospel

You can also pray for the Church and those working among the unreached. Here are a few ways you can do that to begin with. . .

- For protection and strength of believers in persecuted areas
- For boldness of believers in every part of the world
- For more people to be moved to work among unreached people groups
- For more people to financially support missions among the unreached
- For open doors and creative ways to enter new countries and to share the gospel
- For believers all over the world to be beacons of God’s extraordinary love among their people
- For wisdom for the leaders and missionaries working among the unreached

2 Peter 3: 9.

Faithful Seeds, Eternal Fruit

Biglife:

Lord bless Biglife and those who participated in the 10 days of prayer and fasting (May 15-24). They met on Zoom several times daily with different regional leaders who shared the good work and updates on what is being done in their part of the world. We pray that the Lord will reveal the fruit of the faithful who invested their time and effort in this global focus.

James 5: 16.

Please pray for our Ministry partner New Generations

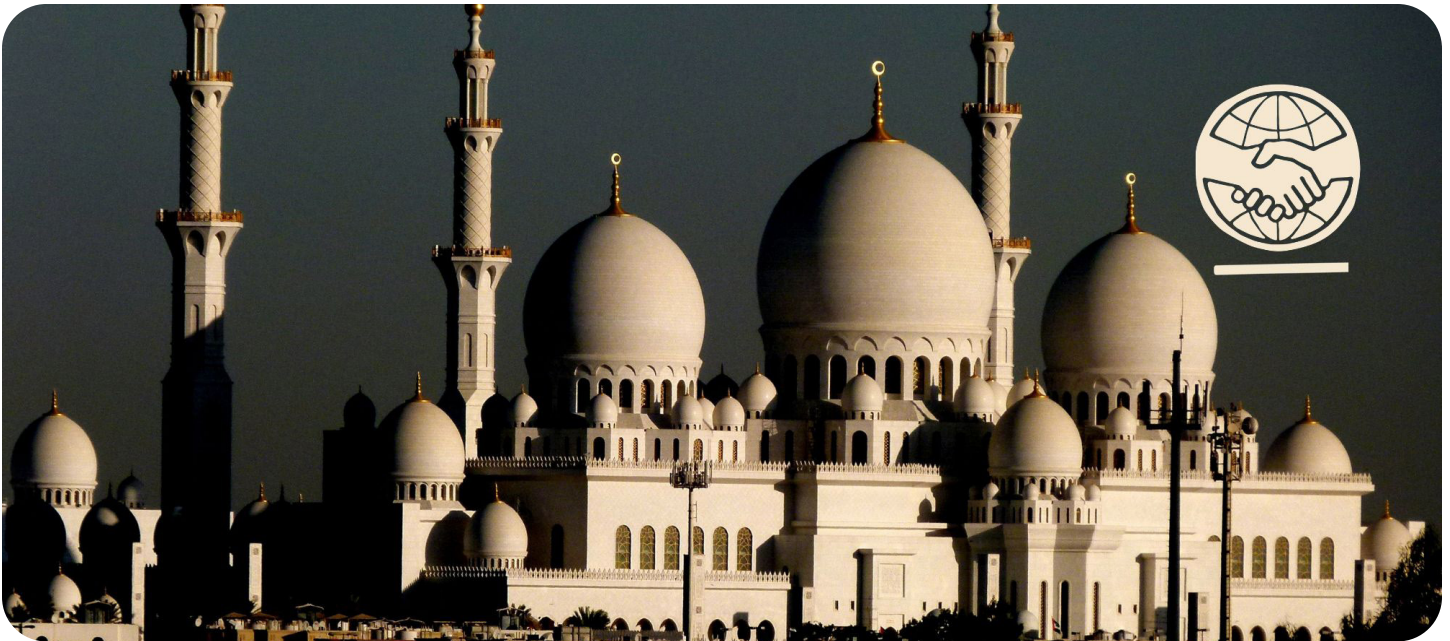

“Over 40 local teams, many in challenging countries, are waiting for someone to coach them in Disciple Making. The best way to learn the Disciple Making Movement strategy is to have someone coach you, someone who will be there over time, who will give perspective and counsel as the work develops day by day and step by step. Pray for people with experience in other regions who will commit themselves to coaching these waiting teams.”

2 Timothy 2: 2.

The Timothy Initiative’s Global Focus

- Please pray for Cuba! Pray for divine provision and relief in the face of the food crisis that is affecting families and communities across the region. Pray for the physical, emotional, and spiritual protection of every leader and church planter as they continue work across the island.
- Pray for the continued success and wisdom for the team in Kenya as they work hard to map the nation. Pray for the current mapping strategy used by church planters to identify and reach new areas with the Gospel. Pray that this would accelerate Kingdom impact and lead to a church being planted in every village, everywhere.
- Pray for Pastor Kipré in Senegal, who just lost his sister. Pray for the God of all comfort to be with him and the family as they mourn this unexpected loss. Pray for God to provide for their needs and for the church to surround them with love.

2 Chronicles 7: 14.

28 Years in Islam

From a Doulos Ministry Partner

“Abibatu was strapped to her mother’s back and carried to the mosque even before she could utter her first words. For 28 years, she faithfully practiced Islam, praying five times a day and never missing a fast. Yet despite her public faithfulness, an emptiness lingered deep inside her. As a teenager, she fell into unhealthy choices, including smoking, drinking, and other behaviors that left her feeling hopeless.

“One warm evening, Lanfie, a ministry trainer, knocked on her door while sharing Christ in the community. He spoke honestly about his life before Jesus and the transformation he experienced. Over several visits, he taught Abibatu about God’s love and His plan of redemption.

“Abibatu chose to follow Christ. She stopped smoking and drinking, and a deep joy took root in her life. She joined a church and now shares her story with others, her testimony pointing her family and community to the hope found in Jesus.”

Matthew 4: 13-17.
