DECEMBER PRAYER GUIDE

Local churches carry faith across generations: Why their presence matters in Togo.

A church planted in a village can have a reach far beyond its first gathering. It gives people a place to worship and grow in faith together, while local believers can pass that faith on among their own people. As the Gospel is shared and believers are discipled, they can help new churches emerge—carrying the message onward through their faithfulness and leadership.

In Turn Togo Green, a village is considered green when Christians and a local church are present. The campaign carries a larger aspiration for Togo: to become the first country where every village is green. That future depends on continued evangelism, discipleship, and church planting led by Togolese believers.

Turn Togo Green is Doulos' $1 million campaign to support church planting in the next 2,000 villages. The Timothy Initiative serves alongside Togolese leaders who carry this work forward, while Doulos invests Kingdom capital provided by our Financial Partners toward this extraordinary initiative. Each $500 gift helps fund a church plant, and gifts are matched toward the campaign goal.

As December 31 approaches, there is still time to help make this work possible.

Praises & Urgent Prayers from a Friend at e3 Partners for an Ancient but Unreached People Group

Praise the Lord that among an ancient but unreached people group, recently:

- 331 have been trained extensively to be disciple-makers; and
- 104 new house churches have been started.

Pray to the Lord for a very faithful and courageous brother recently arrested for distributing Bibles among this ancient people group:

"A man we will call 'M1. . . has been arrested for distributing Bibles. [Another leader] was able to talk with him [in early November] before he went to prison for probably 3-5 years. His wife, we will call her 'M2'. He has two young sons, 'M3 and 'M4".

When arrested, M1 was told by the authorities that:

1. "He must repent and confess that Allah is God. He refused, saying, 'I've already repented to the One True God; why repent again?'"
2. "He will make a video denying Jesus. He refused, saying, 'Why would I deny Him?'"
3. "He would repent and work with the radical people and get paid lots of money. He refused."

"M1 said he had no idea what to answer, but when he opened his mouth, the Holy Spirit gave him the words to say."

Please pray for M1 and his wife and their two young sons. Pray also for his captors and jailers.

. . . And Joy and Sorrows Reported by Our Partners at New Generations

During August, 310 Bible translation teams in 28 countries translated 80 Bible passages. As a result of the translations in South Asia, 305 home Bible Studies began, and now 51 are churches!

"A Francophone West African leader says, 'Four of my disciples were recently slaughtered because they were meeting together. This is why these [audio Bible passages] are very important.'"

One leader got to share a very joyful moment when he visited his Bay of Bengal team and saw 55 new believers baptized. 'What moved me most,' he said, 'was seeing the excitement of these new believers.'"
Romans 12: 15.

Rejoicing and Praying with Our Friends at Biglife for New Believers and Churches in Three Countries

Brazil: "During their trip to Suriname in January of this year, Moy and Luciano met a Brazilian named Igor, who works with the Quilombola people (descendants of enslaved people in Brazil). Igor obeyed immediately, and upon returning to Brazil, he taught the Quilombola the principles of Disciple Making Movements. Today, we can praise God for the first church planted under a tree among these descendants of enslaved Brazilians.

Kyrgyzstan: "We received a report of seven people who have placed their faith in Jesus recently. Four of them have been obedient in water baptism, and we are told the other three are likely to be baptized soon as well. Hallelujah!

Kazakhstan: "We are grateful to report that R was obedient in water baptism this past weekend. Please pray for him as he has returned to his home village to share Jesus with family members."
