Adult League Free Agent List – How It Works

Our Adult Hockey program offers **Regular Adult Leagues** throughout the year, including:

- **Fall/Winter Season**
- **Spring Season**
- **Summer Season**

These Regular Leagues are **team-based**, meaning teams register through a **team manager**. Individual players cannot register directly for these leagues.

The **Free Agent List** is designed for individual players who are interested in playing in a Regular League but **do not currently have a team**.

- Joining the Free Agent List **does not guarantee placement** on a team.
- Joining the Free Agent List **does not commit you** to playing if a spot becomes available.

By signing up, your information is collected and shared with **team managers**. If a team needs additional players, managers may review the list and **reach out to you directly** to discuss possible placement.

If the Free Agent List is large enough, and there is a need due to uneven team numbers in a division, I may also **form a team made up entirely of free agents**.

Important Note About Draft Leagues

During the **Fall/Winter season only**, we also offer **Individual Draft Leagues**, including:

- **Men's Draft League**
- **Women's Draft League**

These Draft Leagues **do allow individual registration** and are separate from the Regular team-based leagues. Draft Leagues are **not offered** during the Spring or Summer seasons.
