Lansing Skating Club

LSC was established in the winter of 1947 and was granted full membership status in the spring of 1951. We are a volunteer, non-profit organization, subject to the USFS rules and regulations.

LSC is dedicated to the promotion of all disciplines of figure skating, including freestyle, pairs, dance, and synchronized team skating. We encourage and support the development of skaters of all ages and skill levels, from preschoolers to adults, and from beginner to advanced.

Our dedicated Skating Director and experienced team of coaches provide year round developmental programs for all levels of skaters in basic skills, Skating Skills, freestyle, pairs, and dance.
