LEARN TO SKATE

The Beginning of Your Journey

All classes are 30 to 35-minute instructor-led sessions. Skaters will learn proper technique with their instructor leading the way. Skaters progress through each class level at their own pace, earning testing badges when they master the skills in each level.

There is no need to wait for a new session to move up! Skaters are placed in classes based on age and experience. Instructors assess skaters and move them to the appropriate class level when the skater is ready.

Class sizes are limited and will be filled on a first-come, first-serve basis. Skaters will be invoiced if space is available or notified of other dates/times available if the requested class is full. If no space is available in any of our classes, skaters will be placed on a waiting list.

KENNSINGTON VALLEY HOCKEY ASSOCIATION

The Kensington Valley Hockey Association (KVHA), a Non-Profit 501(c)(3) Organization, has been serving Livingston and Oakland Counties since 2000. The KVHA is a kid centric organization focused on creating the best possible hockey and life experience for players at every level. We offer hockey starting at the age of 4 and administer all youth teams through 18u boys and 19u girls.

The KVHA is run by a 6 person elected KVHA Board of Directors, a paid hockey director and several volunteer appointees. The Directors are individuals donating their time and talents to promote the sport of youth hockey for the benefit of our players, their families and our local community.

The Board of Directors is responsible for the overall Association program and administering the policies and procedures of the Michigan Amateur Hockey Association and USA Hockey. They meet once per month throughout the year (third Wednesday of every month at 730pm in Brighton) and assist with Try Hockey for Free, House conditioning/evaluation/draft skates, District/State Tournaments and other events. Without them we would not be a success!
