Glass Transporting Pliers

	GTP500	GTP1000	GTP1030	GTP1050
Load capacity	500 kg	1000 kg	1000 kg	1000 kg
Material thickness	3 - 19 mm	4 - 24 mm	10 - 30 mm	30 - 50 mm
Weight	20 kg	28 kg	28 kg	28 kg
Max. dimensions for load	3210 x 2550 mm	6000 x 3210 mm	6000 x 3210 mm	6000 x 3210 mm
Art. No.	BO GTP500	BO GTP1000	BO GTP1030	BO GTP1050

Sturdy transporting pliers for handling all kinds of sheet material. This tool is especially safe and easy to use for single sheet handling applications only. With a hoisting tool, simply lift the glass transporting pliers above the object to be transported. When placed onto the plate, a mechanism is set in motion which ensures a safe grip simply by the upwards motion of the transporting pliers. When putting the load down after transport, the pliers are automatically released by the reverse mechanism.

Features

For handling of various sheet materials · Easy and secure handling · Up to 1000 kg load capacity
