

# Air Freight Standard, Expedited, & Charter

Mallory Alexander delivers fast, flexible solutions built around your needs. We offer multiple service levels (economy, express, next-flight-out, and charter) supported by a global carrier network and specialized cargo expertise. We're here to protect your deadlines and your peace of mind.

## Let Us Solve Your Biggest Challenges

- ✓ Line-down and time-critical emergencies
- ✓ Capacity and routing uncertainty
- ✓ Documentation/compliance bottlenecks
- ✓ Visibility gaps

### We're your one-stop partner for:

Multiple air service levels for meeting deadlines

End-to-end visibility and practical communication

Warehousing, consolidation, and repack/label support

Commitment to quality and ensuring compliance

## International Air Freight Management

Mallory Alexander manages international air shipments across global trade lanes, coordinating planning, documentation, and execution to support your time-critical and high-value freight.

### Export & Import Air Freight

Handling coordination of transportation planning, documentation, and regulatory requirements.

### Economy / Express / Charter Options

Offering the flexibility of multiple air service levels to balance transit time and cost.

### Door-to-Door Capability

Supporting end-to-end air freight movements through final delivery for ease and convenience.

### Specialized Cargo Expertise

Meeting complex requirements for hazardous materials, temperature-sensitive cargo, and time-critical movements.

### Quoting Made Simple

Centralizing your quotes for greater cost visibility and pricing accuracy.

## Let's discuss your freight needs.
