

# Domestic Transport FTL, LTL, & Parcel

Mallory Alexander provides domestic ground transportation across the United States, Canada, and Mexico, including FTL, LTL, local port drayage, just-in-time delivery, and specialized equipment options. With just "One Source - One Call", we're here to help you balance speed, cost, and execution.

## Let Us Solve Your Biggest Challenges

- ✓ Inconsistent carrier performance
- ✓ Capacity challenges in key lanes
- ✓ Gaps in visibility and communication
- ✓ Multi-mode complexity

### We're your one-stop partner for:

One source – one call execution model

Vetted carrier network with execution ownership

Scalable coverage across the U.S., Canada, and Mexico

Shipment visibility and performance tracking

## Domestic Transport Options to Reduce Costs

We find cost-effective transportation to fit your needs, including intermodal for shipments over 500 miles. Combined with performance tracking, customized reporting, and door-to-door support, we help you reduce transportation spend while maintaining reliability and visibility.

### FTL, LTL, Drayage, Parcel, & Expedited Options

Delivering reliability for the exact lane, service level, and shipment requirements.

### Time-Critical Ground Solutions

Deploying team drivers and expedited equipment such as hotshots and sprinter vans.

### Appointment Scheduling & Exception Management

Taking a proactive approach and handling exceptions before they impact service.

### Consolidation, Cross-Docking, & Packaging/Repacking

Offering options that improve efficiency and reduce handling complexity.

### Integration with Warehousing, Ocean, Air, & Customs

Aligning with upstream and downstream services for continuity across the supply chain.
