

Protect the Full Value of Your Shipments

Carrier Insurance Could Leave You at Risk

Not only do carriers have a limited financial responsibility, in most cases, recovery also depends on proving carrier fault.

Limited Carrier Responsibility:

Ocean carriers:	\$500 per shipping unit	Truckers (USA):	No uniform contract
NVOCC:	\$500 per shipping unit	Domestic Air Carriers:	No uniform contract
International Air Carriers:	22 SDR per kilo	Rail Carriers:	No uniform contract
International Indirect Air Carriers:	22 SDR per kilo	Express Couriers:	Typically \$100 per package

Are You Covered?

Not all causes of loss are treated equally under limited coverage:

-  Theft
-  Non-delivery
-  Fresh water
-  Improper stowage
-  Hook damage
-  Pilferage
-  Breakage

How Can You Protect Yourself?

All Risk Shipper's Interest Coverage provides the owner of the cargo with coverage for direct physical loss or damage to the cargo without the need to prove liability.

If a loss occurs, you will be paid directly and any recovery possible from the carrier will be handled by subrogation specialists.
