Technology

myMALLORY is Mallory Alexander's customer-facing digital portal—one place to manage your business with us, with real-time visibility, control, and insight across shipments and supply chain activity.

Shipment Visibility

Real-time tracking for air, ocean, and domestic moves.

Milestone Updates & Alerts

Proactive status notifications.

Document Access

Invoices, B/Ls, PODs, and customs documents.

Reporting & Analytics

Shipment history, lane activity, and performance insights.

Customer Self-Service

Fewer emails, faster answers, better transparency.

Reliability, Compliance, and Scale

We're equipped to support complex global supply chains.

- ✓ Licensed customs brokerage and trade expertise.
- ✓ C-TPAT certified operations.
- ✓ ISO-aligned quality management processes.
- ✓ IATA-accredited international air cargo agents.
- ✓ Secure facilities and documented SOPs.
- ✓ Experienced in complex logistics.

Let's talk about your logistics needs.

Reach out to the Mallory Alexander team to explore solutions built around your business, with a people-first approach.
