

BUILDING ENVELOPE MAINTENANCE ASSESSMENT TOOL

Take The Assessment

- » **WHAT IS IT?** A digital, self-assessment (mobile-friendly) tool to evaluate the condition of your building envelope.
- » **WHO IS THE TARGET AUDIENCE?** Property Managers, Facility Managers, and Facility Engineers

WHY SHOULD YOU ASSESS YOUR BUILDING ENVELOPE?

Early inspection and detection allow you to:

- + Minimize repair costs and avoid emergency fixes
- + Uncover gaps in your maintenance plan and budget for best practices
- + Identify areas of deterioration before they worsen
- + Extend the lifespan of building materials and systems
- + Improve energy efficiency and reduce utility costs

HOW DO YOU USE THE BUILDING ENVELOPE MAINTENANCE ASSESSMENT TOOL?

Follow the step-by-step instructions.

- ✓ Answer the questions and add notes as needed
- ✗ If a question doesn't apply to your building, click "Continue" to skip it

HOW LONG DOES IT TAKE TO COMPLETE?

We recommend using this tool on your mobile device or tablet for a 10-15 minute building walkthrough.

WHAT HAPPENS AFTER I COMPLETE IT?

Your answers will be sent to your email for you to review and share.
