FUGA

“Get out of Paris in Paris”
It was from these few words, which became a slogan, that founders Pierre Doublet and Quentin Garreau de Labarre launched the **FUGA** adventure in 2020. FUGA, Latin for «escape» is the key word for our brand in the hospitality world. Francette, Riviera Fuga, Laïa Monceau, FUGA R.—each of our locations is designed as a true breath of fresh air, a culinary journey through Mediterranean, French, and even Italo-Japanese cuisine. In addition to our restaurants, we also have FUGA SPACE and FUGA W : two unique venues exclusively for private events, offering memorable experiences.
