

Security Basin

SECURITY BASIN

This basin is focused on security, safety and durability. The round bowl stainless steel sink comes with 32mm waste fitting/plug and trap. Totally shrouded to eliminate purchase points and prevent access.

OPTIONAL EXTRAS: 40mm waste fitting/plug and trap.

Basin can be fitted with a tamper proof outlet and trap, does not accept plug – 32mm only.

stainless steel domed bubbler with locating pin to lock into position.
