

JOIN US FOR A NEIGHBORHOOD GATHERING

To Save The Dayton Cedars

In front of 504 N 76th St, Greenwood / Phinney

What's Going On?

Join us to honor and raise awareness for four of Phinney/Greenwood's largest cedars proposed for demolition for profits and convenience.

New housing can coexist with these trees. An architect has demonstrated ways to retain all four cedars while building the same amount of proposed housing.

Please join us in asking the developer-Aegir Olsen, Curtis Bigelow, Mayor Harrell, City Councilmembers, and SDCI Director Lee, to save the Dayton Cedars.

These aren't just trees. They're:

- 🔥 **Seattle's natural defense** against heat and climate collapse
- 🌲 One of the **largest groves** in Northwest Seattle.
- 📖 **Living history**, Snoqualmie Pass seedlings that grew into Greenwood's giants.

Join Us Sunday

Join us for a neighborhood gathering to let the city know we want this large grove of firs to stay.

📍 504 N 76th St, Greenwood / Phinney

📅 Sunday, October 5, at 2 p.m.
