▶ **Growing Through Feedback**

This workshop is a practical, reflective experience designed to strengthen how we give and receive feedback with clarity, care, and accountability.

▶ **Applied EQ**

This workshop series is designed to empower staff and leaders with practical emotional intelligence skills to drive engagement, inclusive culture, and organizational effectiveness.

▶ **Culture of Belonging**

In this workshop, participants will learn practical strategies for building a culture of belonging that aligns with their organization's values.

▶ **Brave Conversations**

This workshop empowers participants to engage in meaningful DEI conversations by recognizing their own emotional responses and practicing empathy.

▶ **Bridging Generations**

Explore the dynamics of an intergenerational workforce through the lens of equity and emotional intelligence.

▶ **Blended Learning: Culture Accelerator**

The Culture Accelerator is a comprehensive **5-module series** combining independent learning with live discussions. It guides leaders through a process to find their cohesive voice to inspire cultural and systemic transformation.

▶ **Custom-Designed Learning**

Co-create a learning experience tailored to your organization's unique cultural goals.
