

## Generate New Revenue Streams – With Zero Added Staffing

### **100% Automated Platform**

From quote to contract to commission, ConnexVSC handles everything digitally – no paperwork or back-office burden.

### **No Staffing Required**

A plug-and-play system that integrates seamlessly into your existing process. ConnexVSC manages enrollments, contracts, and support automatically.

### **Instant Revenue Opportunities**

Every product sold through your portal generates immediate profit – plus potential reinsurance income.

### **Increased Customer Retention**

Vehicle Service Contracts, Tire & Wheel, Appearance, and Maintenance programs keep customers returning to your service drive.

### **Transparent & Trusted Administration**

Connex is known for transparency, compliance, and integrity. You always have full visibility into performance and payouts.
