

## Grow Profit. Simplify Operations. Strengthen Customer Loyalty.

### What We Do

ConnexVSC delivers a simple, transparent, and profitable Vehicle Service Contract (VSC) platform that helps stores grow revenue, retain customers, and streamline operations — all without adding staff or complexity.

### Dealers Advantage

**100% Turnkey — No Extra Work**  
Everything is handled for you — from onboarding and setup to back-end processing and reporting. No new staff, no disruption to workflow — just added revenue and dealer support at every step.

**Transparent Profit Growth**  
Control your margins, set your own pricing, and offer A-rated coverage backed by trusted administrators. Get real-time tracking, and total visibility into your sales and performance.

**Boost Retention & Reputation**  
Give customers confidence with trusted protection plans that bring them back for service, build long-term relationships, and elevate your dealership’s reputation.

**Seamless Integration**  
Digital and in-store marketing materials connect customers to custom landing page via QR code or website link.

### Marketing Support That Works

Every enrolled dealer receives access to the **Marketing Library** — ready-to-use digital and print assets including email templates, flyers, and in-store displays.

For a turn-key setup, choose a **Kickoff Kit** at enrollment and get a complete set of branded materials drop-shipped directly to you.

**Basic Kickoff - \$395**

- Package includes: landing page & rating site, digital marketing assets, and 1500 custom business cards drop shipped to the store.

**Standard Kickoff - \$695**

- Package includes: landing page & rating site, digital marketing assets, and print assets: 1 banner, 2500 business cards, 500 postcards, and 1 window cling.
