POWERSPORT  
**TIRE & WHEEL  
PROTECTION**

Tire & Wheel Repair/Replacement

**Ensure your ride is  
always road-ready with  
our unbeatable Tire &  
Wheel Protection Plan.**

*With Tire & Wheel Protection, if  
your tire or wheel becomes  
unrepairable due to road hazard  
damage, we'll cover the cost of  
repairs or replacement, including  
mounting and balancing. We'll  
even take care of cosmetic repairs  
like reconditioning minor curb  
rash or flaking paint.*

## POWERSPORT TIRE & WHEEL PROTECTION

### TIRE REPLACEMENT:

Coverage includes tire replacement if punctured or otherwise damaged due to a covered hazard and deemed unfit to repair.

### WHEELS (RIMS):

Potholes can cause havoc on wheels. If yours are rendered unserviceable, you may be eligible for a claim.

### MOUNTING AND BALANCING:

We'll provide reimbursement for reasonable costs incurred for mounting, balancing, valve stems, and tire disposal for any tire replacement under this service contract. (Shop supplies, tire pressure monitoring system (TPMS) components, and unspecified charges are excluded.)

### COSMETIC WHEEL REPAIR:

We'll repair or recondition any cosmetic damage to an alloy wheel, such as minor curb rash or flaking paint, using manufacturer-approved repair techniques. If the wheel cannot be repaired, it will be replaced. (Cosmetic alloy wheel repair/replacement is covered up to a maximum of \$600.)
