

THE PEOPLE BEHIND THE MOVEMENT

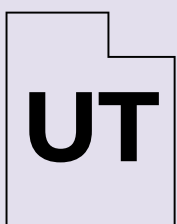

Training and empowering
community members to
provide critical legal help.

Advocates in Arizona and Utah
strengthen their communities by
providing local, right-sized legal help
to resolve common legal issues.

Hours of Free Legal Help

1,200+

Community Members Benefited

Serving Rural Utah
UT clients living in rural or frontier counties

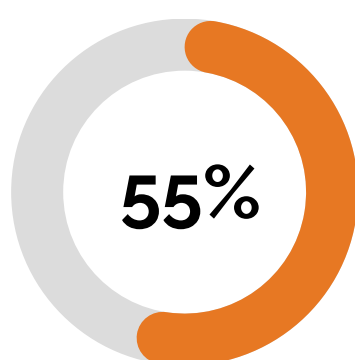

Justice for All
UT clients below their county's median income

We can take care of more people; we can take care of people better.

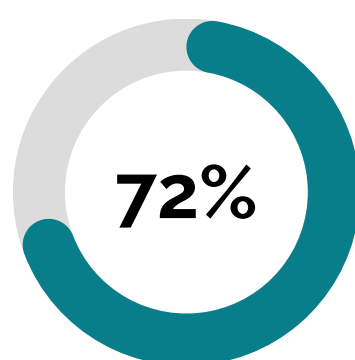

Launi Stone
DV Community Justice Advocate

Our Systemic Impact

In southern Arizona, Certified Community Legal Advocates engaged the state Attorney General to secure enforcement of utility overbilling refunds, delivering credits of more than \$1,000 in some cases for mobile home park residents.

Upstream Support
AZ clients receiving legal services before experiencing eviction

Bridging the Gap
AZ client households below 200% of the Federal Poverty Level
