Testimonials

EXPERIENCE WAS OUTSTANDING

"We recently held a 3-day event at The Fox in January, and we couldn't have been more impressed. From start to finish, the experience was outstanding, and it contributed significantly to the success of our event.

We utilised both the basement for our main meeting area and the mezzanine floor for our AI business, Edquity. The venue was perfect for our needs, providing distinct spaces that worked seamlessly together. The recent refurbishment is clearly evident – the entire space looks fantastic, and the digital signage added a sleek, modern touch.

What truly set The Fox apart, however, was the level of service. The staff were incredibly friendly, attentive, and proactive in meeting our every need. A huge thank you to Joel, the event manager, who was absolutely brilliant. He was communicative, organised, and consistently went above and beyond to ensure everything ran smoothly. His presence and support throughout the entire event were invaluable.

Our customers also commented positively on the venue, it's convenient location, and the excellent selection of food provided throughout the three days. The catering was clearly well thought out and catered to everyone.

Overall, we highly recommend The Fox for any event. The combination of a great venue, delicious food, and exceptional service, especially from Joel, made our event a major success."

LOTS OF COMPLIMENTS

"Thank you for everything you and your team did to accommodate us for our event in The Snug last night

It was lovely to meet you in person – and we had so much great feedback, the food especially had lots of compliments so please pass on my thanks and compliments to the chef

From start to finish it's been an absolute pleasure working with you – thank you to you and the team – I really appreciated how quick and friendly all of the service was last night, and in the run up to the event

I hope to work with you again in the future"

PULLED IT OUT OF THE BAG

"These guys at the Fox are just amazing! Everyone is so helpful and makes the whole process from start to finish a great experience. You guys worked so hard and absolutely pulled it out of the bag and see you in 2025!"

PRE-RACE MINGLE

"I just wanted to follow up after the weekend and say a massive thank you for letting us hold our pre-race mingle in your venue!

Everything went perfectly and couldn't have asked for more!"
