BAR LETTERA

OUR VENUE

We're a contemporary Italo-Australian restaurant and wine bar in the heart of North Sydney, and yes, we're a little obsessed with doing things properly.

Our space blends late modernist Italian design with Australian handcrafted artistry: rich Negroni-inspired tones, tactile textures, and an atmosphere that feels more like a well-curated artist's apartment than your average CBD venue. Everything we do - from craft cocktails to signature pastas - is rooted in creativity, quality, and a genuine love of hospitality.

PERFECT FOR EVENTS

We think Bar Lettera is one of the best places in North Sydney to host an event, and our guests tend to agree.

Sophisticated without being stuffy, our team knows how to look after a room and our food and drink program gives people something to actually talk about. Working lunch, client dinner or full-scale celebration, we bring the same care and craft to your event as we do to every guest we seat.

FOOD

ITALO-AUSTRALIAN DINING

Our menu is built around local and seasonal produce, artisanal Italian ingredients and fresh handmade pasta, with a modern Australian sensibility running through everything we do.

For events, we translate that same kitchen philosophy into elegant canapé packages, generous grazing tables, interactive food stations and showstopping feasts that give your guests something to gather around. However you choose to eat with us, expect food that is as thoughtful as it is delicious.
