Refilable Australian Riverine Oyster Blade Steak

First serving 300g, with pepper sauce and shoestring fries.
Additonal servings 100g minium, no take away allowed.

Oyster Blade is a little known cut of beef and is of the most tender cuts. You won't often see it in a menu because of a thick sinew running through the centre. Our team have carefully removed the majority of this so you can enjoy such tender meat. Please understand some sections may remain in your steak where unavoidable.

Steamed green beans, pickled onion, hazelnut dukkah	+16
Leaf salad, pickle onion, classic dressing	+15
