# ABOUT

## “Building Community with Mary”

July 23 - 26, 2026

Louisville, KY

## The National Assembly

The National Assembly of the Marianist Lay Communities occurs once every three years. This assembly brings together members of the Marianist Family from all three branches as well as many individuals who advance the Marianist mission through their work in our schools, universities, retreat centers, parishes, and social justice ministries.

## Schedule & Events

**Keynote:** Prof. Natalia Imperatori-Lee (Fordham University)

**Theme & Main Events:** This year’s theme, “Building Community with Mary” will provide many opportunities for our Marianist Family to learn and share about how we can all build up an authentic spirit of community in our professional, personal, and social lives. This theme will be articulated not only by our keynote speaker, Prof. Imperatori-Lee, but also through additional plenary and workshop sessions, networking and dialogue opportunities, and shared prayer together.

### **Schedule:**

- **Thursday (7/23):** Participants arrive; Assembly begins at 5pm with plenary sessions
- **Friday & Saturday (7/24-25):** Main assembly days
- **Sunday (7/26):** Assembly concludes at 12pm; participants depart

# TABLING

## Exhibition Tables

Exhibition tables are available for organizations and partners who wish to maintain a visible presence at the National Assembly. Exhibition tables provide an opportunity to connect with assembly participants, share resources, and engage informally throughout the gathering.

Tables are priced separately from registration and lodging in order to allow for flexible participation. If you are looking for a package with both tables and registration, you may wish to consider a sponsorship package (see below).

**Cost** \$200. Includes a table in our main exhibition hall across from plenary sessions. Inclusive for all 4 days.

**Exhibiting** Exhibitors are welcome to staff tables at any time. A special reception will take place in the exhibition area. There are no additional fees for the sale of goods or services.
