Dear equestrian sports enthusiasts,

Thanks to Riders&Dreams, the X-BIONIC® SPHERE continues to host the most prestigious equestrian event in Slovakia — the “DANUBE CHAMPIONS TOUR” series.

It is a great honour to welcome the world's top riders to our Olympic training centre in Šamorín. Partnerships like the one with Riders&Dreams as the organiser play a vital role in the continued development of the X-BIONIC® SPHERE. I sincerely hope that together, we have many more equestrian events ahead of us — filled with success and memorable moments.

Just as the riders push their limits in the arena, we also strive to raise the bar with each event — reaching higher and delivering even better experiences.

After years of hosting equestrian competitions, the local public has come to recognise their appeal. I strongly believe that the spectators will once again create a vibrant and supportive atmosphere for the riders and their horses. At the X-BIONIC® SPHERE, fans and visitors are just as important to us as the professional athletes. That's why we've prepared an engaging accompanying program throughout the weekend for everyone to enjoy.

I look forward to witnessing the outstanding performances and unforgettable energy of the event. Good luck to all riders and horses — may you benefit from the world-class conditions we are proud to offer here.

Thank you to each and every one of you who joins us. We are truly happy to have you here. Please enjoy our hospitality and make the most of your time with us.
