

CTRL+VERIFY

Episode 1: THE PM SAID WHAT?

ROHIT GETS A FORWARD THAT HE TENDS TO BELIEVE.

THE VIDEO GOES VIRAL... AND ROHIT SHARES IT TOO.

BUT THEN, ROHIT STOPS AND THINKS...

THINGS TO CHECK

1. LIP SYNC CHECK

Do the lips match the words? Any awkward pauses or mismatch?

2. VOICE & DELIVERY

Does the voice match his usual tone, accent and delivery style?

3. SOURCE & QUALITY

Is this from an official handle? Is the video clear or heavily compressed?

CTRL+VERIFY

Episode 1: THE PM SAID WHAT?

ROHIT DOES A QUICK FACT-CHECK.

Let's see what the official channels actually said.

COMPARE THE DIFFERENCE

FAKE VIDEO

- ✗ Voice sounds robotic
- ✗ Lip movement mismatch
- ✗ Unnatural pauses
- ✗ Low quality, echo

OFFICIAL SPEECH

- ✓ Natural voice
- ✓ Perfect lip sync
- ✓ Smooth delivery
- ✓ Clear audio

ROHIT REALISES THE TRUTH.

It was a fake! They used AI to change the voice and make it look real. We should never believe blindly.

Good thinking, beta. Always verify first.

That's how we stop rumours and hate.

MORAL:

OBSERVE. INSPECT. THEN TRUST.

OBSERVE

Stay alert to what feels odd. Look closely at lip movements, audio and video quality.

INSPECT

Compare with official speeches and interviews. Check the source and delivery style.

THEN TRUST

Trust only after verifying from credible, official sources.

Don't share sensational or provocative videos.

Question everything. Facts over forwards, always.

Think for yourself. Don't let fake news manipulate you.
