

“Preparing for Accreditation”

Applying for accreditation & reaccreditation using the 12th Edition Standards

DATE and TIME: Thursday, February 26, 2026, 1pm – 5pm Eastern

Cost: \$25.00

This half day class will review the process, policies and standards of CAMTS and provide excellent information for both programs seeking accreditation for the first time or for those approaching a reaccreditation. **Learn about the 12th Edition Standards.**

Standards and ask questions directly with the CAMTS Executive Staff.

Objectives:

1. Describe the procedure and eligibility requirements to apply for CAMTS accreditation.
2. List the member organizations and structure of the CAMTS Board of Directors.
3. Describe the application materials: Demographics, Standards Compliance Tool, Attachments and Safety Culture Survey
4. Discuss the Policies governing the accreditation process and decisions
5. Discuss the major differences between CAMTS, CAMTS Global and Special Operations Standards
6. Describe the site visit – interviews and tours to be included.
7. Discuss the most frequently cited deficiencies in meeting compliance with the accreditation standards along with medical protocol reviews.
8. List the possible accreditation actions and decisions.

Speakers:

Jan Eichel, MBA, RN, CFRN, FAASTN, Executive Director

Dudley Smith, MSPHA, CMTE, MEP, Associate Executive Director

Erin Reese, Associate Executive Director
