

Preparing for Accreditation: Applying for Accreditation & Reaccreditation using the 13th Edition Standards

DATE and TIME: Sunday, October 25, 2026 – 8am-12pm

Cost: \$100.00 - includes CEs, Policies, and 13th Edition Accreditation Standards

This half-day class will review CAMTS processes, policies, and standards and provide valuable information for both programs seeking accreditation for the first time and those approaching reaccreditation. **Learn about the 13th Edition Standards.**

Review the Standards and ask questions directly with the CAMTS Executive Staff.

Objectives:

1. Describe the procedure and eligibility requirements to apply for CAMTS accreditation.
2. List the member organizations and structure of the CAMTS Board of Directors.
3. Describe the application materials: Demographics, Standards Compliance Tool, Attachments, and Safety Culture Survey.
4. Discuss the Policies governing the accreditation process and decisions.
5. Discuss the major differences between CAMTS and CAMTS Global Standards
6. Describe the site visit – interviews and tours to be included.
7. Discuss the most frequently cited deficiencies in meeting accreditation standards, along with the medical protocol review process.
8. List the possible accreditation actions and decisions.

Speakers:

Jan Eichel, Executive Director

Erin Reese, Associate Executive Director
