January 2027 -Date tbd -Zoom
March 19-20, Pittsburgh, PA (CCTMC)

June 4-5, Alexandria, VA (EMS Memorial)
October 22-23, Milwaukee, WI (AMTC)

Committee Reports:

Aviation Safety Committee: **Mr. Onorato-** There will be an open meeting Tuesday, October 27 at AMTC. Agenda to include Pilot and Mechanic shortages, the Pilot Experience Evaluation Tool, 13th ed. Standards.

Clinical Advisory Committee: Dr. Miller – Recruiting outside subject matter experts. Currently completed two HPS approvals. With the 13th edition, all programs will resubmit items for approval.

Finance Committee: **Mr. Bowles**- Focus on pricing structure and budget for 2027. A more comprehensive analysis to see the impact current changes will have and bring to the board for 2028.

Governance Committee: Dr. Stuhlmiller – no report. Virtual meeting time TBD.

Marketing: Dr. Reinhartz- Focus on capturing new program contacts. Exploring podcast opportunities for CAMTS. Exploring the state approach from CAMTS standpoint for awareness of standards.

MIH: Dr. Reinhartz – Currently, 40 states offer MIH services, and funding is a major concern. The current MIH-accredited programs may be able to generate interest in new programs.

CAMTS Global: Mr. Becker- The next new Global program is scheduled for January 2027. Competition with EURAMI is strong, as EURAMI is well established in Europe.

QM Report- 2026 Q3: Ms. Reese- QM will be emailed to board members for review.

Open discussion

Dr. Guyette announced the new critical elements for the 13th edition will be blood transfusion, TBI (adult and pediatric), RSI (adult and pediatric).
