* Please note that this calendar is subject to change.	
• In the event of emergency school closures, the first five days will be implemented as Flexible Instructional Days (remote learning). Any closures exceeding five days will be made up by extending the school year beyond the originally scheduled last day.	
• In the event of any construction delays, August 28th and August 29th will be implemented as Flexible Instructional Days (remote learning).	
• Should six or more emergency/inclement weather closure days occur before Spring Break, days may be deducted from the scheduled Spring Break to make up for the missed instructional time.
