

## **Expect daytime restrictions on Business 40 in Holbrook beginning Monday, Dec. 15, as pavement project resumes**

The Arizona Department of Transportation advises drivers to plan for daytime lane restrictions along Business 40, locally known as Navajo Boulevard, in downtown Holbrook beginning Monday, Dec. 15, as a pavement rehabilitation project resumes.

The following restrictions will be in place from 7 a.m. to 6 p.m. Monday, Dec. 15, through Sunday, Dec. 21:

- B-40 (Navajo Boulevard) will have lane restrictions at Florida and Erie streets (mileposts 287).
- Drivers will need to slow down and merge over when approaching the work zone.
- Access to businesses will be maintained; however, there may be brief restrictions when/if work takes place directly in front of driveways and side streets.
- Restrictions will be lifted each day after work hours.

The project is scheduled to be completed by the end of the year.
