

SR 77 Little Colorado River Bridge

BRIDGE REHABILITATION PROJECT

PROJECT OVERVIEW

The Arizona Department of Transportation has initiated a project to rehabilitate the Little Colorado River Bridge on State Route 77 in Holbrook. The bridge is located south of Holbrook's downtown area on the way to Snowflake.

Work will include milling and repairing the existing bridge deck and deck joints as well as repaving SR 77 from the bridge to Joy Nevin Avenue and 200 feet south of the bridge. The deck is the top portion of the bridge that motorists drive on.

The project is expected to begin in April 2026 and be completed by late summer.

WHAT TO EXPECT

- ▶ There will be lane restrictions in each direction on SR 77 during construction.
- ▶ One lane will remain open in both directions during construction.
- ▶ Drivers should slow down, expect frequent stops and plan for delays while moving through the work zone.
- ▶ Traffic control will include the railroad crossing that will be controlled by on-site railroad flaggers.
