INFORMATION ABOUT AUDIENCE PARTICIPATION

Bluey's Big Play is a fun, family-friendly show suitable for all ages!

After the performance, some audience members will have the opportunity to join in games of 'Keepy Uppy', one using air-filled balls (made from materials free of BPA, latex, and PVC), and another with bubbles (using a non-staining solution).

As with many children's games, 'Keepy Uppy' can sometimes become boisterous and unpredictable. For safety reasons, only audience members seated in Rows AA - G will be able to participate. Other areas of the theatre will not be able to join in.

If you prefer not to take part, we recommend leaving the theatre after the curtain call.
