Application and Guidelines to Charter Extra Curricular Activities

Activity: Mu Alpha Theta National Honor Society

Advisor: Ms. Sengupta

Meeting Days Requested: Tuesdays

Time Activity Starts: 3:40

Time Activity Ends: 4:40

Room or Area Requested: 380B

Description of Program:

We would like to introduce a Math Tutoring Outreach Initiative to increase student performance in regents math and would like to expand our club's impact within our local community. This initiative will connect academically strong members of Mu Alpha Theta with students struggling with math while also laying the foundation for future club led competitions and academic events.
