CELEBRATING INTERNATIONAL WOMEN'S DAY

In recognition of [International Women's Day](#), CCA convened women ambassadors and leaders to highlight their role in advancing U.S.-Africa trade and investment. The discussion emphasized the critical contributions of women across sectors, from entrepreneurship to cross-border trade, and the need for inclusive policies, improved access to finance, and expanded digital connectivity. Speakers reinforced that empowering women is essential to driving sustainable economic growth and strengthening commercial partnerships between the United States and Africa.

JOIN US FOR THE 2026 U.S.-AFRICA BUSINESS SUMMIT

Registration is now open for the 2026 U.S.-Africa Business Summit, taking place July 26–29 in Mauritius. Hosted in partnership with the Government of the Republic of Mauritius, this year's Summit is expected to be one of our largest yet, convening leaders from government, business, and finance to advance U.S.-Africa trade and investment. With strong interest already building, attendees are encouraged to secure their spot early. As July is peak season in Mauritius and hotel space is limited, participants should register and book accommodations as soon as possible. Discounted hotel and airline rates will be available for registered attendees, so early planning is strongly encouraged. Visit the [Summit website](#) for additional information.
